Agro products are supplied, traded, and exported by Akshita Sri Agro Foods Pvt. Ltd. Wheat Seeds, Soybean Seeds, Non Basmati Rice, Fresh Fruits, Dry Chilli, and so forth are among the products we deal in with expertise. Our company was founded in 2020, in Visakhapatnam, Andhra Pradesh, India.

Thanks to the knowledgeable leadership of our mentor, our company has become well-known in this field. His moral business conduct and persistent efforts have enabled us to supply the greatest items at the best prices with efficiency.

Mission

Our goal is to introduce the globe to the true flavour and aroma of our products. Our faith is our greatest asset and has greatly helped us become one of the top exporters of premium quality products worldwide. Our goal is to advance the Indian legacy all over the world.

We never stop moving to enthrall our clients with our amazing skills to deliver quality again and again. All our products are procured in an organic way from the most trusted vendors in the market. All of them are tested based on various parameters to ensure that there is no adulteration in them. After this, we pack them carefully to ensure they remain unaffected by dust or dirt.

In our organization, the client is supreme. Our decisions and actions are driven by their satisfaction. We put their needs first, paying close attention while we listen to grasp their wants, worries, and comments. We work hard to go above and beyond expectations with our individualized service and custom solutions. Our commitment is demonstrated by our ongoing involvement and support, which guarantee a flawless experience at every touchpoint. We adapt to their changing needs since we see their trust as the foundation of our success. Putting customers first is more than just a promise to us; it is a core value that motivates us to always provide exceptional service and win their enduring loyalty.

Quality Assurance

Ensuring the quality of our products is our top priority. Strict inspections are required at every turn to ensure the quality of Fresh Onion, Fresh Garlic, Fresh Maize, Dried Mango, Fruit Pulp, and related products. Strict guidelines guarantee maximum freshness, flavour, and safety throughout the whole procurement and packaging process. Our suppliers monitor growing conditions, use sustainable agricultural methods, and choose only the best seeds. Frequent inspections evaluate how handling, storing, and transporting materials are done to preserve integrity. To ensure purity, strict tests are conducted for pesticides, pollutants, and spoilage. Our packing specifications follow industry guidelines to prevent damage and maintain quality. Our thorough quality control process puts the health and happiness of our customers first in addition to guaranteeing superior products.
