Situated in Prakasam, Andhra Pradesh, Trilochan Donkey Farms was born in the year 2023 to bring forth a pioneering new era of health and wellness. We are a leading manufacturer, exporter, and supplier of premium donkey milk and donkey milk powder.

At Trilochan Donkey Farms, we understand the unique properties of donkey milk. Its close resemblance to human breast milk makes it a valuable source of essential nutrients for people of all ages. We are committed to providing the highest quality donkey milk products, ensuring purity and potency from farm to table.

Our herd is raised with the utmost care in a stress-free environment. We prioritize their well-being, adhering to strict hygiene and ethical animal husbandry practices. This translates to healthier animals and, ultimately, the best possible milk for our customers.

Our state-of-the-art processing facilities utilize gentle methods to preserve the integrity of the donkey milk. Our freeze-drying technology for the milk powder ensures it retains all its valuable nutrients and long shelf life.

Trilochan Donkey Farms caters to a diverse clientele, from health-conscious individuals seeking natural wellness solutions to those with specific dietary needs. Donkey milk offers a unique range of potential health benefits, and we are committed to providing a trusted source for this remarkable product.

We offer a variety of packaging options to suit your requirements, guaranteeing freshness and ease of use. We prioritize exceptional customer service, providing detailed information about donkey milk and its potential benefits.

As a young and innovative company, we are dedicated to ongoing research and development. We are constantly exploring new ways to harness the potential of donkey milk while remaining committed to sustainable and ethical practices. Choose Trilochan Donkey Farms, and embark on a journey towards improved health and well-being with nature's finest.
