Prime Logistics & Multiservices, established in 2023 by Mr. Vijender Sharma, is a Gandhinagar, Gujarat-based company dedicated to fulfilling all your proppant sand requirements. We operate as an exporter, supplier, and trader, ensuring a reliable and efficient supply chain for various proppant sand grades.

At Prime Logistics & Multiservices, we prioritize exceptional quality. We source our proppant sand from trusted vendors who adhere to rigorous quality control standards. Our team meticulously inspects every shipment to guarantee our clients receive exactly what they need – consistent and high-performing proppant sand.

Customer satisfaction is at the heart of everything we do. We understand the importance of timely deliveries and clear communication. Our dedicated customer service team is available to answer your questions and provide expert advice throughout the entire process. We are committed to building long-term partnerships based on trust, reliability, and exceeding expectations.

Prime Logistics & Multiservices is driven by visionary leadership. Mr. Vijendra Singh Sharma, with his extensive industry experience and unwavering commitment to excellence, steers the company forward. His dedication to innovation and building a strong team ensures we stay at the forefront of the proppant sand industry.

While we may not have our own manufacturing unit currently, our strong network of partnered processors and suppliers allows us to offer a wide range of proppant sand grades, including Brown Proppant Sand, Grey Proppant Sand, White Proppant Sand, and Yellow Proppant Sand. This ensures we can cater to the specific needs of various industries, from oil and gas to water filtration.
