VELAFABRIC

Quality Leads

Vela Fabrics is a young, budding manufacturer and supplier based in Tamil Nadu, established in the year 2024. We are engrossed in the manufacturing process for men's lungis and lungi fabrics. Further, we provide our customers with truly South Indian traditional attire that befits contemporary style. Though we are young blood in this industry, our passion lies in Quality and Authenticity, which leads us to deliver the best products to our customers.

Our Products

Vela Fabric feels immense pleasure in bringing out the rich cultural heritage of Tamil Nadu with high-quality lungis and lungi fabrics, designed for comfort, durability, and style. We introduce minute details into our products so that they exude excellence in every sense. We use only high-grade raw materials and traditional techniques in preparing the fabrics to make them Timeless yet Contemporary.

Our Mission

Vela Fabrics works towards the revitalization and promotion of traditional attire by offering products that will meet all consumer needs. To us at Vela Fabrics, quality is an undertaking towards excellence; with every piece we produce, we truly represent this idea.

Looking Ahead

With growth, Vela Fabric is set out to continue building our product offerings and increase the reach of customers within and outside India. We keep ourselves very close to the lungi-wearing tradition by coming up with new design features within the fabrics that appeal to the modern audience. Our vision at Vela Fabric is to be among the leading traditional fabric industries with quality, authenticity, and customer satisfaction.
