WWW.METALINDIAENTERPRISE.IN

Metal India Enterprise, established in 1997, is a renowned manufacturer, exporter, and supplier of premium-quality metal and alloy products based in Bhavnagar, Gujarat, India. With over two decades of industry experience, the company has built a strong reputation for delivering excellence, precision, and reliability in every product it manufactures.

Our diverse product range includes Stannous Sulphate Powder, Silver Solder Sticks, Silver Solder Wire, and Silver Solder Ingots, each crafted with stringent quality control and advanced production processes. We focus on maintaining consistent purity, composition accuracy, and superior performance standards to meet the specific requirements of industrial and commercial applications worldwide.

At Metal India Enterprise, innovation and quality form the foundation of our operations. Our modern manufacturing facility in Bhavnagar is equipped with the latest technology and managed by a skilled technical team committed to product excellence and client satisfaction. We adhere to international manufacturing norms, ensuring that our products comply with global quality and safety standards.

Over the years, we have established a strong export presence across global markets, supported by reliable logistics, transparent business practices, and long-term client relationships. Our mission is to deliver high-performance materials that contribute to technological advancement, sustainability, and customer success.

In summary, Metal India Enterprise stands as a trusted global partner in metal and solder solutions, combining traditional expertise with modern innovation to serve industries across the world.

1997

Market Covered

Worldwide

Name of Founder

Mr. Abdullah

GST No

24ABZPL9176C1Z4

Annual Turnover

Rs. 50 to 100 Crore Approx.

Legal Status of Firm

Individual (Sole proprietorship)

Solder Ingot

Business Type	: Handmade
Purity	: Brown
Application	: Cow Dung
Color	: Wrapped In Leaves Or Paper
Shape	: Round
Surface Finishing	: Earthy
Country of Origin	: India

Solder Wire

Business Type	: Manufacturer, Exporter, Supplier
Material	: Alloy Steel
Diameter	: 0.5mm, 1mm, 1.5mm
Application	: Soldering, Brazing
Melting Point	: 700°C - 800°C
Color	: Silver
Package Type	: Spool, Reel
Tensile Strength	: Medium

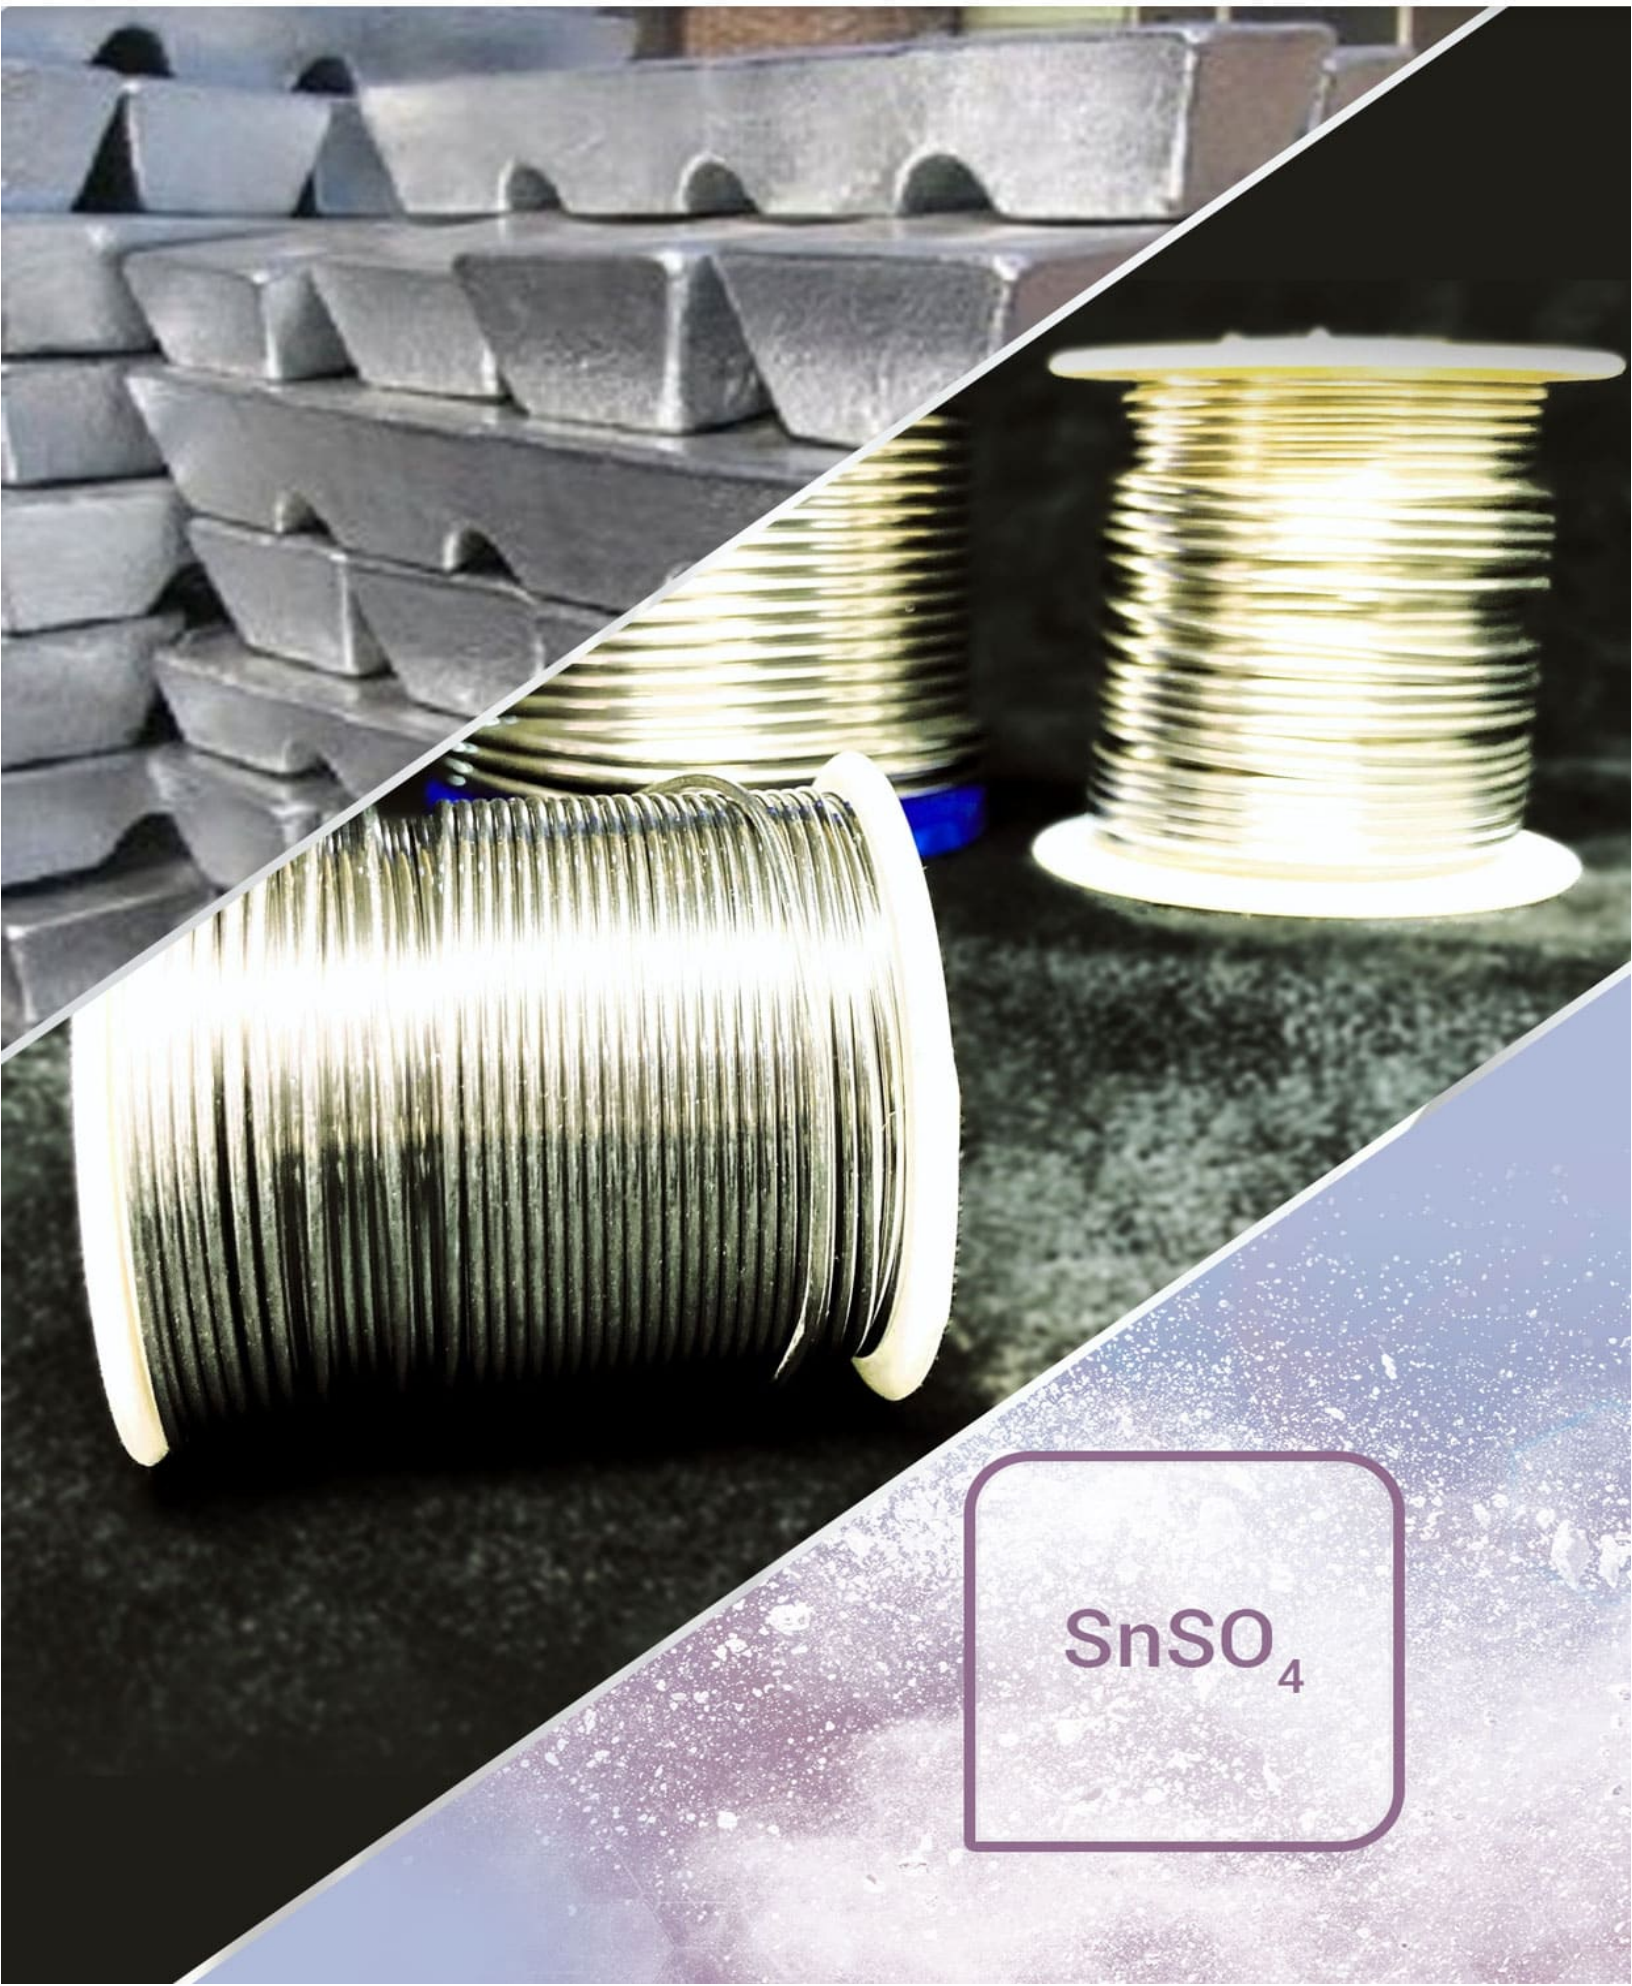

Solder Sticks

Business Type	: Manufacturer, Exporter, Supplier
Application	: Joining Metals
Color	: Silver
Material	: Alloy Steel
Packaging Type	: Plastic Tubes
Melting Point	: Approximately 700°C
Compatibility	: Works With Various Metals
Feature	: Flux Core For Better Adhesion

Stannous Sulphate Powder

Business Type	: Manufacturer, Exporter, Supplier
Formula	: SnSO_4
EINECS No.	: 231-847-6
Purity	: 99%
Grade	: Reagent Grade
Feature	: Premium Quality
Physical State	: Powder
Molar Mass	: 142.04 G/mol
