OUR TEAM

Mr Shrey Jain

Founder and CEO

Ms Riya Malhotra

Marketing Director

Our team is the force that powers DRJ Agro Industries. We are united by a shared commitment to excellence, driven by precision, and inspired by the vision of taking India's finest agro products to the world. Every department from sourcing and quality to production and logistics works with discipline, integrity, and a relentless focus on delivering results. We don't just meet expectations; we aim to set new benchmarks in quality, service, and global reliability. Together, we stand for trust, consistency, and growth for our farmers, our partners, and every client across the world.

ABOUT US

DRJ Chemicals, the chemical vertical of DRJ International, is a trusted partner for businesses across India and the globe. We specialize in inorganic and organic chemicals, industrial reagents, and agro-based specialty ingredients, delivering products that meet the highest standards of purity, precision, and international compliance. Our strong supplier network and advanced processing facilities ensure consistent quality at every step, making us the preferred choice for manufacturers, FMCG companies, and exporters.

At DRJ Chemicals, we don't just supply chemicals we deliver solutions that empower industries, drive innovation, and create lasting value. Trusted by global buyers, our portfolio supports diverse sectors from manufacturing and pharmaceuticals to agriculture and specialty industries, combining reliability, sustainability, and excellence in every product we offer.

DRJ CHEMICALS
PURE AND PRECISE CHEMISTRY WITH GLOBAL BUYERS

YEARS OF EXPERIENCE

With nearly a decade of experience in international sourcing, quality control, and export operations, DRJ has established a strong network and global-level expertise that ensures flawless service, consistent supply, and a premium buyer experience.

INDUSTRY EXPERTISE

- Global sourcing & supply chain management
- Export documentation and compliance
- Seasonings, spices & ingredient solutions
- Custom formulations and private label products
- Quality assurance & traceability systems

WHY CHOOSE DRJ

Why Choose DRJ Chemicals?

DRJ Chemicals is a trusted partner offering a comprehensive portfolio of organic, inorganic, agro, food, oleochemical, and industrial chemicals, sourced from reputed manufacturers and supplied with verified CAS identification and complete documentation. We ensure consistent quality, strict adherence to international safety and regulatory standards, and reliable, on-time deliveries through a strong logistics network. Backed by technical expertise, competitive pricing, and a customer-centric approach, DRJ Chemicals goes beyond supply to provide tailored solutions, transparent communication, and long-term value for our partners worldwide.

FOUNDER AND CEO
SHREY JAIN

DRJ Chemicals, was founded by Shrey Jain with a clear vision: to connect India's chemical expertise with global demand for high-quality, chemicals. Under Shrey Jain's leadership, the company is guided by principles of ethical sourcing, sustainability, and transparency, ensuring DRJ Chemicals delivers not just chemicals, but innovative solutions that empower industries and earn the trust of global buyers.

MARKETING DIRECTOR
RIYA MALHOTRA

Marketing Director at DRJ Chemicals, is passionate about connecting people and businesses across the globe. She brings creativity, strategy, and heart to every initiative, helping showcase DRJ's high-quality industrial, organic, inorganic, and agro-based chemicals to international buyers.

DRJ CHEMICALS
PURE AND PRECISE CHEMISTRY WITH GLOBAL BUYERS

Warehousing

Robust and compliant warehousing infrastructure designed to safely store and manage bulk chemical inventories while meeting regulatory and safety requirements.

Quality Certifications

At DRJ Chemicals, we uphold uncompromised quality and strict adherence to global regulatory standards. Our operations are supported by internationally recognized certifications including ISO, GMP, Export Inspection Standards, and other applicable compliance frameworks required for chemical manufacturing and exports. We ensure proper documentation, safety protocols, and quality controls across the supply chain.

Custom Formulation & Blending

We develop application-specific chemical formulations and blends, precisely tailored to customer specifications, industry standards, and intended end-use requirements.

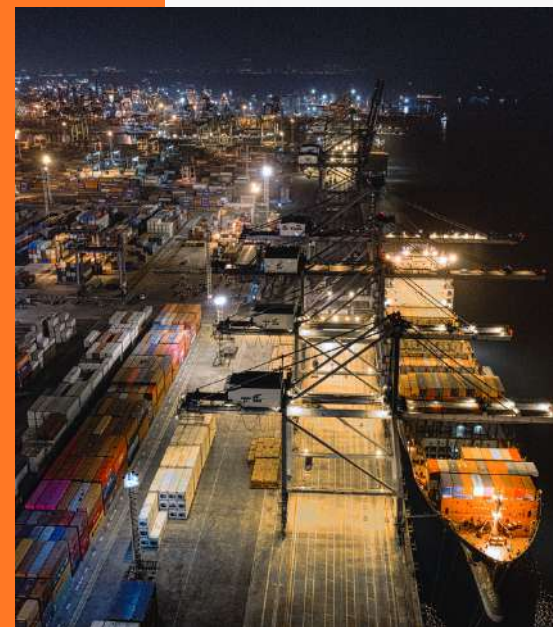

Sustainability & Ethical Sourcing

At DRJ Chemicals, sustainability, safety, and ethical sourcing are central to our chemical operations. We work closely with responsible manufacturers and suppliers to ensure transparent, compliant, and ethically sourced chemical products. Our processes emphasize efficient resource utilization, controlled handling, and minimal waste generation to reduce environmental impact. Every chemical we supply is selected and managed through environmentally responsible practices, reflecting our commitment to a safer, cleaner, and more sustainable chemical supply chain.

International Shipping & Logistics

DRJ CHEMICALS
PURE AND PRECISE CHEMISTRY WITH GLOBAL SUPPORT

Our International Shipping & Logistics capabilities ensure a seamless and reliable export experience for our global customers. We provide comprehensive worldwide export support from all major Indian ports, with priority handling to ensure faster processing and dispatch. Our team manages precise and efficient documentation, works with reliable logistics partners, and ensures smooth customs clearance. For sensitive products, we also offer temperature-controlled shipments, maintaining quality from our facility to your destination.

Vision

To be the leading global partner for chemical distribution, recognized for our exceptional service, extensive network, and unwavering dedication to delivering innovative and sustainable solutions to our clients across the world.

Mission

To empower industries worldwide by providing high-quality chemical solutions through reliable partnerships, seamless logistics, and a commitment to sustainability. We aim to bridge the gap between India's robust chemical manufacturing sector and global markets, ensuring customer satisfaction at every step.

DRJ CHEMICALS
INDIA'S FASTEST-GROWING HUBS FOR CHEMICAL MANUFACTURING AND EXPORTS

FROM INDIA TO THE WORLD

Rooted in India's strong industrial and scientific legacy one of the world's fastest-growing hubs for chemical manufacturing and exports DRJ Chemicals proudly represents this expertise in global markets. India's position as a leading exporter of industrial, specialty, and agro-based chemicals strengthens our commitment to delivering consistent quality, regulatory compliance, and reliable supply across international borders. Supported by advanced manufacturing capabilities, responsible sourcing, and export-ready logistics, we deliver globally compliant chemical solutions that meet the evolving demands of customers worldwide.
