DRJ CHEMICALS
A DIVISION OF DRJ AGRO INDUSTRIES

OUR TEAM

Mr Shrey Jain

Founder and CEO

Ms Riya Malhotra

Marketing Director

Our team is the driving force behind DRJ Agro Industries, united by a shared commitment to excellence and a vision to take India's finest castor-based products to the global stage. From sourcing and quality control to processing and logistics, every function operates with precision, integrity, and a strong focus on results.

We don't just meet expectations—we set higher benchmarks in quality, service, and reliability. Together, we stand for trust, consistency, and sustainable growth for our farmers, partners, and clients worldwide.

ABOUT US

DRJ Chemicals, the chemical vertical of DRJ International, is a trusted partner for premium castor oil and its various grades across India and global markets. Our portfolio includes Castor Oil FSG Grade along with other high-quality castor oil varieties, all meeting strict standards of purity, consistency, and international compliance.

With a strong supplier network and advanced processing, we ensure reliable quality at every stage—making us the preferred choice for manufacturers, FMCG companies, and exporters.

At DRJ Chemicals, we don't just supply castor oil—we deliver tailored solutions for applications in pharmaceuticals, cosmetics, lubricants, and industrial formulations

YEARS OF EXPERIENCE

With nearly a decade of experience in international sourcing, quality control, and export operations, DRJ has established a strong network and global-level expertise that ensures flawless service, consistent supply, and a premium buyer experience.

INDUSTRY EXPERTISE

- Global sourcing & supply chain management
- Export documentation and compliance
- Seasonings, spices & ingredient solutions
- Custom formulations and private label products
- Quality assurance & traceability systems

WHY CHOOSE DRJ

Why Choose DRJ Chemicals?

DRJ Chemicals is a trusted partner for castor oil and its specialty derivatives, offering a comprehensive portfolio of high-quality castor-based products. Sourced from reputed manufacturers and backed by complete documentation, our products meet stringent international standards for purity, safety, and compliance.

We ensure consistent quality and reliable, on-time deliveries through a strong logistics network. With technical expertise, competitive pricing, and a customer-centric approach, DRJ Chemicals goes beyond supply to deliver tailored castor oil solutions and long-term value for partners worldwide.

FOUNDER AND CEO
SHREY JAIN

DRJ Chemicals, founded by Shrey Jain, connects India's castor oil expertise with global demand, emphasizing ethical sourcing, sustainability, and transparency. The company provides high-quality castor oil solutions trusted by industries worldwide.

MARKETING DIRECTOR
RIYA MALHOTRA

As Marketing Director at DRJ Chemicals, she is passionate about connecting people and businesses across the globe. She brings creativity, strategy, and insight to every initiative, helping showcase DRJ's high-quality castor oil and castor-based products to international buyers.

Warehousing

Robust and compliant warehousing infrastructure designed to safely store and manage bulk chemical inventories while meeting regulatory and safety requirements.

Quality Certifications

At DRJ Chemicals, we uphold uncompromised quality and strict adherence to global regulatory standards for our castor oil and castor-based products. Our operations are supported by internationally recognized certifications, ensuring consistency, safety, and compliance across every stage.

We maintain complete documentation, rigorous quality control, and strict safety protocols throughout the supply chain—delivering reliable, high-quality castor oil solutions to global markets.

Custom Formulation & Blending

We develop application-specific chemical formulations and blends, precisely tailored to customer specifications, industry standards, and intended end-use requirements.

Sustainability & Ethical Sourcing

At DRJ Chemicals, sustainability, safety, and ethical sourcing are central to our castor oil operations. We work closely with responsible producers to ensure transparent, compliant, and ethically sourced castor-based products.

International Shipping & Logistics

At DRJ Chemicals, our international shipping and logistics capabilities ensure a seamless export experience for our global customers. We provide end-to-end support from all major Indian ports, with priority handling for faster processing and dispatch.

Our team manages accurate documentation, partners with reliable logistics providers, and ensures smooth customs clearance. For sensitive castor oil and other specialty products, we also offer temperature-controlled shipments, maintaining quality from our facility straight to your destination.

DRJ CHEMICAL

DRJ CHEMICALS PRIVATE LIMITED, HYDRABAD

Vision

Our vision is to be the leading global partner in castor oil and chemical distribution, recognized for exceptional service, a robust international network, and an unwavering commitment to delivering innovative, sustainable, and high-quality solutions to clients worldwide.

Mission

Our mission is to empower industries worldwide by delivering high-quality castor oil and chemical solutions through reliable partnerships, seamless logistics, and a strong commitment to sustainability. We strive to bridge India's robust chemical manufacturing capabilities with global markets, ensuring excellence and customer satisfaction at every step.
