About Us

Located in the vibrant city of Gorakhpur, Uttar Pradesh, **National Trade and Logistic Solution** is a leading supplier and trader specializing in a diverse range of high-quality products. Founded by the visionary Mr. Rakesh Singh, our company has established itself as a trusted name in the trade and logistics sector, delivering exceptional value and service to clients both locally and nationally.

Our core offerings include Freight Shipping Containers, Quartz Lumps, Indian Rice, Red Bauxite Lumps, and 200 Mesh Silica Powder. Each product line reflects our commitment to quality and reliability, ensuring that our clients receive the best materials for their needs.

Freight Shipping Containers: We supply robust and versatile containers designed to meet various shipping and storage requirements, facilitating smooth and efficient logistics operations.

Quartz Lumps: Sourced from reputed mines, our quartz lumps are ideal for use in a variety of industrial applications, including glass and ceramic manufacturing.

Indian Rice: Our range of Indian rice products is renowned for its premium quality and taste, catering to both domestic and international markets.

Red Bauxite Lumps: We offer high-grade red bauxite lumps, essential for aluminum production and other industrial processes.

200 Mesh Silica Powder: Our fine silica powder meets industry standards and is used in diverse applications, including in the production of glass, ceramics, and as a filler in various products.

At National Trade and Logistic Solution, we pride ourselves on our customer-centric approach, competitive pricing, and timely delivery. Our dedicated team works diligently to ensure that each client's needs are met with utmost precision and efficiency. As we continue to grow, we remain committed to enhancing our service offerings and building long-lasting relationships with our valued clients.
