ABOUT US

Rani Furniture Works, where timeless craftsmanship meets innovative design. Established in 1947 by the visionary Mr. Kaliyamoorthy Baskar, our company has proudly built a legacy of excellence in the art of wooden wall clocks and calendars. Based in the vibrant city of Nagapattinam, Tamil Nadu, we have become a cornerstone in the world of fine wooden decor, bringing elegance and functionality to homes and businesses alike.

Our passion for woodworking is evident in every piece we create. At Rani Furniture Works, we specialize in a diverse range of wooden wall clocks that cater to various tastes and preferences. Our Antique Wooden Wall Clocks evoke a sense of nostalgia with their classic designs, reminiscent of bygone eras. For those who seek modern aesthetics with a touch of sophistication, our Designer Wooden Wall Clocks offer contemporary styles that stand out as statement pieces. Our Fancy Wooden Wall Clocks add a whimsical flair to any room, while our Stylish Wooden Wall Clocks combine sleek lines with functional beauty, ensuring that each clock not only tells time but also enhances the decor of your space.

In addition to our exquisite clocks, we also offer a selection of Wooden Wall Calendars designed to marry form with function. Our Acrylic Wooden Wall Calendar features a modern twist on the traditional calendar, seamlessly integrating clear acrylic with elegant woodwork for a chic, minimalist look. For a more classic touch, our Fully Wooden Wall Calendar brings the warmth and charm of wood into everyday planning, making it a timeless addition to any office or home environment.
