# ABOUT US

Latitude Imports & Exports was incorporated in the year 2024, based in Surat, India. We export and distribute powdered spices. Our vision is to take the richness of Indian flavours to the global marketplace and work toward excellence in the supply of a qualitative range of spices to capture authenticity and flavour in every dish.

At Latitude Imports & Exports, we deal in an enormous range of powdered spices sourced from the best places in India. We have been known for purity, aroma, and flavour that set them a class apart and make them preferred amongst all categories of customers—be it a home-maker or a professional chef across the globe. Processing and packaging are done with extra care so that the freshness and quality remain with any batch.

It is our vision to popularize India's rich culinary heritage through the best spices delivered to kitchens worldwide.

We believe in quality at every step, right from sourcing to distribution, so that our clients get the best from us. This very commitment has easily helped us gain a strong foothold as a trusted associate in the global spice trade.

With our quest for continued growth, Latitude Imports & Exports shall keep growing in terms of outreach and product profile. We find ourselves rightly positioned amongst the largest exporters of Indian spices around the world in quality, reliability, and customer-driven behaviour. To make Indian spices a staple in every kitchen worldwide—appreciated for their authenticity and richer taste—is what we have in mind.
