NATURE OF BUSINESS
SUPPLIER, EXPORTER & TRADER

DC Traders, a dynamic supplier, exporter, and trader specializing in a diverse range of high-quality products. Founded in 2024 by Mr. Sudhakar Panday, our company is rooted in the vibrant business landscape of Saidulajab, Delhi. As a forward-thinking organization, we are committed to excellence in every aspect of our operations, ensuring that we meet the varied needs of our clientele with precision and integrity.

At DC Traders, we pride ourselves on our expertise in handling DDGS (Distillers Dried Grains with Solubles), a crucial ingredient in animal feed and various industrial applications. Our offerings include Rice DDGS and Maize DDGS, both of which are sourced from top-tier production facilities and processed to the highest standards. These products are integral to enhancing livestock nutrition and improving feed efficiency, reflecting our dedication to supporting the agricultural sector.

In addition to our DDGS portfolio, we provide a range of liquid chemicals that play a vital role in numerous industrial processes. Our selection includes Liquid Ammonia, a versatile compound used in agriculture and industrial applications; Silicon Defoamer and Antifoam Emulsion, essential for controlling foam in manufacturing processes; and Hydrochloric Acid, a strong acid with a wide array of uses in chemical production. We also offer Caustic Soda Flakes, known for their effectiveness in cleaning and chemical processes.

Our commitment to quality and customer satisfaction drives every decision we make. From sourcing raw materials to delivering finished products, we ensure that our processes meet stringent quality control standards. Our team, guided by Mr. Panday's vision and leadership, is dedicated to building lasting relationships with our clients, understanding their unique needs, and providing tailored solutions.
