

# Vento Enterprises

Established in 2023 by Mr. Kamlesh Patel, Vento Enterprises is a dedicated supplier, exporter, and trader of high-quality laboratory consumables. Based in Malad East, Maharashtra, our company serves clients across various sectors, including laboratories, healthcare facilities, and research institutions.

# ABOUT US

Established in 2023 by Mr. Kamlesh Patel, Vento Enterprises is a dedicated supplier, exporter, and trader of high-quality laboratory consumables. Based in Malad East, Maharashtra, our company serves clients across various sectors, including laboratories, healthcare facilities, and research institutions. We prioritize quality, reliability, and competitive pricing, making us a preferred choice in the field of laboratory essentials.

Vento Enterprises offers an extensive range of laboratory products, carefully selected to meet the rigorous standards of our industry. Our product lineup includes Centrifuge Tubes, Transfer Pipettes, Micropipette Tips, Analyzer Sample Cups, Rubber Caps, Swab Sticks, Borosilicate Test Tubes, Sample Containers, and Blood Collection Tubes. We also provide specialized items like Embedding Cassettes with Lids, Embedding Histo Blocks, 3ml Storage Vials, Multi-Purpose Vials, Disposable ESR Pipettes, and Latex Examination Gloves. Each product is designed to support efficient and safe laboratory operations, ensuring that our clients receive only the best in quality and performance.

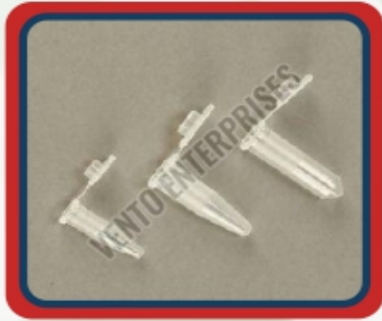

With a client-centric approach, Vento Enterprises focuses on understanding and meeting the unique needs of our clients. Our dedicated team works diligently to ensure timely delivery, precise product recommendations, and exceptional service. Our commitment to excellence and customer satisfaction drives our continuous growth and expansion.

At Vento Enterprises, we look forward to building lasting relationships and enhancing the productivity of our clients worldwide, positioning ourselves as a trusted name in laboratory supply and innovation.
