Based in Vadodara, Gujarat, India, JKPD Industries Private Limited is a progressive company specializing in the manufacturing and export of high-quality packaging solutions. Established in 2023, we have rapidly gained a strong foothold in the industry, catering to the diverse packaging needs of businesses across the globe.

Our core product offerings encompass a comprehensive range of FIBC bags and PP woven fabric. Our FIBC bags are designed to excel in various industrial applications. From the standard white plain FIBC bags to the specialized 4 loop and blue strip variants, we provide tailored solutions for efficient bulk material handling and storage. Complementing our FIBC bag range is our premium PP woven fabric. Available in a spectrum of colors and plain options, our PP woven fabric is renowned for its exceptional strength, durability, and versatility.

At the heart of our operations is a steadfast commitment to quality. We employ state-of-the-art manufacturing processes to ensure that our products consistently meet the highest industry standards. Our team of skilled professionals is dedicated to delivering products that not only meet but exceed customer expectations.

Under the visionary leadership of Mr. Rutvik Tejpal, JKPD Industries Private Limited is poised for significant growth and expansion. We are driven by a passion for innovation and a customer-centric approach. Our goal is to establish ourselves as a leading provider of packaging solutions, both domestically and internationally.

We believe in building strong and enduring partnerships with our clients. By understanding their unique requirements, we strive to deliver customized solutions that optimize their operations. Our commitment to quality, reliability, and timely delivery has earned us a reputation as a trusted partner in the packaging industry.
