NAVAL FIBRES

PRODUCT TO NURTURE

Naval Fibres, where innovation meets sustainability. Founded in 2020 by Mr. R Rakesh, our company is a leading manufacturer, supplier, and exporter of high-quality coco peat blocks, proudly operating from Coimbatore, Tamil Nadu. At Naval Fibres, we are passionate about providing eco-friendly and efficient solutions for a variety of applications. Our primary product, the coco peat block, is a versatile and sustainable resource made from the natural fibers of coconut husks. This innovative material is ideal for use in agriculture, horticulture, and gardening, offering excellent water retention, aeration, and soil conditioning properties. Our journey began with a commitment to environmental responsibility and a desire to support sustainable practices within the industry.

ABOUT US

Naval Fibres, where innovation meets sustainability. Founded in 2020 by Mr. R Rakesh, our company is a leading manufacturer, supplier, and exporter of high-quality coco peat blocks, proudly operating from Coimbatore, Tamil Nadu.

At Naval Fibres, we are passionate about providing eco-friendly and efficient solutions for a variety of applications. Our primary product, the coco peat block, is a versatile and sustainable resource made from the natural fibers of coconut husks. This innovative material is ideal for use in agriculture, horticulture, and gardening, offering excellent water retention, aeration, and soil conditioning properties.

Our journey began with a commitment to environmental responsibility and a desire to support sustainable practices within the industry. By transforming coconut husks, which are often considered waste, into valuable coco peat blocks, we contribute to reducing environmental impact while promoting a greener future. Our products are designed to meet the highest standards of quality and effectiveness, ensuring they deliver exceptional performance and reliability.

Based in the bustling city of Coimbatore, Tamil Nadu, we leverage our strategic location to efficiently serve both domestic and international markets. Our team is dedicated to upholding the principles of excellence and integrity, working diligently to ensure that every product meets our stringent quality controls. From the initial sourcing of raw materials to the final processing and packaging, we maintain rigorous standards to provide our clients with consistent, top-notch products.
