ABOUT US

Indeal Overseas is a reliable manufacturer, exporter and supplier of edible vegetables and fruit powders. We offer natural fruit powders that are of excellent quality and are offered at effective prices. We provide high-quality products to our customers throughout the country and across the world. We are offering a wide range of powders made from vegetables and fruits.

Our products are safe to consume and effective. Our products have a longer shelf life and are suitable for making various cuisines. We are offering customized packaging options for our customers that are available at reasonable rates.

Extensive Range

We deal in fruit powders like banana, orange, pineapple, custard apple and apple. Apart from fruit powder, we manufacture and supply vegetable powder, milk powder, spices powder, and salt powder. Our products are manufactured under the supervision of reliable and experienced professionals. Our product quality is checked at various stages and is completely checked before delivering it to the customers.

Quality & Variety

Our products' quality and variety have helped our company to gain several customers within a short time. Our products are available in dried form that has more shelf life than the original product. The nutrients and contents of fruits and vegetables are intact and can be consumed efficiently.

Why Us?

Our company manufactures and offers quality products at reasonable rates. We distribute our products through our network channel partners throughout the country and across the globe.
