ABOUT US

AQUA PLASTIC

Founded in 2018 and headquartered in Rajkot, Gujarat, Aqua Plastic has swiftly established itself as a prominent name in the manufacturing and supply of high-quality plastic containers. Under the dynamic leadership of CEO Mr. Nileshkumar Savaliya, the company has grown rapidly, driven by a commitment to excellence and a focus on delivering innovative solutions that meet the evolving needs of the market.

Aqua Plastic's vision is to become a leading force in the plastic container industry, renowned for our dedication to quality, innovation, and customer satisfaction. We aim to set new industry standards by providing products that are not only functional but also contribute to a more organized and efficient lifestyle. Our goal is to continuously improve our offerings and expand our reach, ensuring that our containers enhance the convenience and reliability of our customers' storage solutions.

Our mission is to manufacture and supply superior plastic containers that meet the highest standards of durability, safety, and functionality. We are committed to utilizing advanced manufacturing techniques and high-quality materials to create products that deliver exceptional performance and value. By focusing on rigorous quality control and continuous product development, we strive to address the diverse needs of our clients and provide them with solutions that exceed their expectations.

At Aqua Plastic, we pride ourselves on our ability to deliver products that enhance the everyday lives of our customers. Our manufacturing processes are designed to ensure that every container meets stringent quality standards, providing reliable and effective storage solutions. We are dedicated to maintaining the highest levels of integrity and professionalism in all aspects of our operations, from product design to customer service.

Our team is passionate about innovation and dedicated to staying ahead of industry trends to better serve our customers. We believe in building long-term relationships with our clients by providing exceptional products and outstanding service. As we look to the future, Aqua Plastic remains focused on expanding our product range and exploring new markets, all while upholding our core values of quality, innovation, and customer satisfaction.
