# About Us

Bew-Da Engineers Pvt. Ltd., based in Palghar, Maharashtra, was incepted in 2020 and has since become a trusted name in the manufacture, export and supply of a wide range of industrial equipment. Founded by Mr. Rajesh Gupta, the company specializes in providing high-quality weighing equipment, filling machines, labeling machines, and other advanced machinery designed to meet the demands of various industries.

Our extensive product portfolio includes cutting-edge weighing solutions such as Pitless Weighbridge, Bulk Weighing System, Automatic Weighing System, and Digital Weighing Balance, among others. These products are engineered to deliver precise and reliable measurements, ensuring accuracy and efficiency in operations. We also offer specialized filling machines like the Semi Automatic Drum Filling Machine, Beverage Filling Machine, and High-Speed Barrel Filling Machine, tailored to handle diverse filling needs with utmost precision and speed.

In addition to weighing and filling solutions, Bew-Da Engineers Pvt. Ltd. excels in providing advanced labeling machines, including the Round Bottle Labeling Machine and Automatic Sticker Labeling Machine, which ensure accurate and consistent labeling for various products. Our portfolio is further enhanced by the inclusion of high-performance machines such as the Automatic Robotic Palletizer Machine, Sleeve Wrapping Machine With Tunnel, and Bottle Capping Machine, all designed to optimize production processes and enhance productivity.

With a commitment to quality, innovation, and customer satisfaction, Bew-Da Engineers Pvt. Ltd. strives to deliver state-of-the-art machinery that meets the evolving needs of our clients. Our dedication to excellence and continuous improvement drives us to be a preferred partner for industries seeking reliable and efficient solutions.
