MOHDMUKRRAMK@GMAIL.COM

MMS Handicraft is a reputed manufacturing and exporting house of hand-embroidered crochet products. It was established in the year 2010 in Uttar Pradesh. The company boasts intricate designs combined with fine craftsmanship, thus rendering a wide variety of crochet bags, tops, hats, and handmade accessories. Having devoted itself to the preservation of traditional crochet techniques, MMS Handicraft has transcended the frontiers of heritage and into contemporary fashion.

Emphasis on Handcrafted Excellence

It specializes in developing unique, handmade things that are appropriate for fashion-forward customers. The crochet bags and tops made by the company are of outstanding quality yarns and materials to ensure durability and style. MMS Handicraft also offers a series of accessories, including crochet hats and bikinis, to add that personal touch to any wardrobe.

International Market

MMS Handicraft has gained popularity internationally as an exporter of its product lines mostly in markets that value artisanal creations. The company pays much attention to fine details and flexibility, as people can get customized designs. This maximizes its presence in both domestic and global markets.

Tradition Meets Modern Fashion

MMS Handicraft focuses on promoting traditional crochet work yet, at the same time, updates itself with modern designs. What the company does is merge old-world craftsmanship and styles to cater to a faithful customer base where uniqueness, within safe limits, is appreciated for quality.
