

Vansattva Agro LLP

At Vansattva, we are proud to be a women-led, farm-based enterprise dedicated to the bulk manufacturing of premium-quality herbal powders, capsules, and dried herbs. Rooted in tradition and committed to purity.

About US

At Vansattva, we are proud to be a women-led, farm-based enterprise dedicated to the bulk manufacturing of premium-quality herbal powders, capsules, and dried herbs. Rooted in tradition and committed to purity, we specialize in producing 100% natural, chemical-free ingredients for wellness brands, herbal formulators, food manufacturers, and Ayurveda companies.

What We Offer – Bulk Manufacturing:

- Turmeric Powder (High Curcumin)
- Moringa Powder & Capsules
- Neem Powder & Capsules
- Shatavari Powder & Capsules
- Vidanga Powder and Capsules
- Haritaki Powder & Capsules
- Lemongrass Dried Leaves
- Curry Leaves Powder

All ingredients are grown on our own farms or sourced from trusted farmer networks, ensuring traceability, sustainability, and consistent potency. Our facility ensures hygienic processing, careful drying, and fine grinding without loss of essential nutrients.

Whether you're sourcing raw ingredients for product development or looking for private-label herbal products, Vansattva is your trusted partner in quality, consistency, and clean-label botanicals.

Why Vansattva?

- Direct from Farms – No Middlemen
- Clean, Chemical-Free Processing
- Women-Owned & Ethically Run
- Flexible MOQ & Bulk Packaging Options
- FSSAI & GST Compliant
