

About Us

At GlittR, we believe in a cleaner, healthier future for everyone. With latest and upcoming researches years of expertise put together dedicated to provide top-notch cleaning services that exceeds our customers expectations. Our team of professionals is passionate about delivering sparkling clean spaces like company's name GlittR that promote health, happiness and productivity.

About Company

Founded in 2023, our company was built on principles of quality, reliability and customer satisfaction. Keeping our goal in mind that is the quality cleaning protecting people and environment. We thrive for excellence and passion for making a positive impact. Our Founders: - Mr. Gulbaz and Mr. Rohit, saw a need for a cleaning product company that truely cared about its client and the environment.
