# ABOUT US

Ganni Impex is a trusted name in the natural stone industry, established in 2025, specializing as Manufacturers and Suppliers of premium-quality Granite and Sandstone Products. Founded by Mr. Naveed Altaf, the company is committed to delivering excellence, durability, and aesthetic value across every product range.

We offer a wide portfolio including Granite Slabs, Sandstone Blocks, Tiles, and Decorative Stones, carefully sourced and processed to meet modern construction and architectural requirements. Our collection covers a variety of colors and finishes such as Black, Red, Pink, White, Blue, Brown, Green, Gold, and Grey Granite, along with premium Rainbow, Teakwood, and Bansi Paharpur Sandstone.

At Ganni Impex, we focus on quality consistency, precision cutting, and superior finishing, ensuring each product meets industry standards and customer expectations. Our stones are widely used in flooring, wall cladding, paving, landscaping, monuments, and interior-exterior decoration.

With a strong commitment to customer satisfaction, timely delivery, and competitive pricing, we cater to builders, contractors, wholesalers, and global buyers. Our manufacturing and supply capabilities enable us to handle bulk requirements efficiently while maintaining product excellence.

Driven by innovation and integrity, Ganni Impex aims to become a leading exporter and supplier in the stone industry by offering reliable products, professional service, and long-term business relationships.
