

AV CONTROL SYSTEMS

AV Control Systems, incepted in 2022 and based in Pune, Maharashtra, specializes in the manufacturing and supply of high-performance industrial automation products. The company has swiftly made its mark by providing cutting-edge solutions to enhance the efficiency and control of various industrial processes.

About Us

AV Control Systems, incepted in 2022 and based in Pune, Maharashtra, specializes in the manufacturing and supply of high-performance industrial automation products. The company has swiftly made its mark by providing cutting-edge solutions to enhance the efficiency and control of various industrial processes. With a focus on reliability and performance, AV Control Systems has built a strong foundation in the industry, catering to the diverse needs of its clients.

The company offers a broad range of Siemens Drives, including the 5HP Siemens AC Drive, S120 Siemens Servo Drive, and S71200 Siemens Programmable Logic Controller, to name a few. These drives are designed to provide seamless integration and superior control in industrial applications. The company's selection of Siemens drives supports precision, scalability, and robust functionality, ensuring reliable performance in diverse operational environments.

In addition to drives, AV Control Systems provides a comprehensive selection of temperature controllers. From the DC1040 PID Temperature Controller to the Eurotherm PID Temperature Controller, the company offers solutions to ensure precise temperature regulation, vital for maintaining process efficiency and stability across industries. Each controller is designed with advanced features to meet the demands of modern industrial setups.

AV Control Systems is also known for its range of electrical actuators and modulating motors, including Siemens Aluminium Rotary Damper Actuators and AME 25SD Danfoss Electric Actuators. These products ensure smooth operation and reliability, making them an integral part of industrial automation systems. The company further supplies the MS300 Delta AC Drive, Belimo Motorized Control Valve, and GT50 Kromschroder Servo Motor to enhance the overall functionality of its automation offerings.

Our Products

**Dungs Mb Die 403
B01 S50 Gas Multibloc**

**Eurotherm PID Tem-
perature Controller**

**2408i PID Temper-
ature Controller**

**DC1040 PID Temp-
erature Controller**

**Digital Temper-
ature Controller**

**Digital Temperature
Controller**

**TC10 PID Tem-
perature Controller**

LPG Vaporizer

**Siemens Aluminium
Rotary Damper Actuator**

**Pma Ks 40-1 Universal
PID Temperature Controller**

**West 4100+ Digital
Temperature Controller**

**LPG Gas Leak
Detectors**

Our Products

**Riello 40
FS10 Burner**

**ECM3000F2200 Azbil
Modulating Motor**

**ECM3000G9100 Azbil
Modulating Motor**

**Revo C Thyristor
Power Controller**

**GT50 Kromschroder
Servo Motor**

**Single Phase Danfoss
Ignition Transformer Ebi 4**

GECA GAS TRAINS

MADAS GAS TRAIN

**ELSTER G25 RPD Gas
Flow Meter**

**Gas Volume Corrector
MacBAT 5**

**Metrix High Pressure
Diaphragm Gas Meters**

**ELSTER DIAPHRAGM
METERS**

Our Products

**Silicon Carbide
Burner Tube**

Bentone Burner

**Olympia Gas
Burner**

**Vanaz Adjustable Pressure
Regulator R-2304/ 2304 II**

**Continental Self
Proportioning Burner**

**1500 RPM Siemens
Servo Motor**

**42/425 Continental Excess
Air Gas Burner Series**

**Air Gas Ratio
Regulators**

**Automatic Black Siem
UV Flame Detector**

**Automatic Efit Scr
Power Controller**

**Automatic Thyristor

**C7027 A1023 Honeywell
UV Flame Detector**

**Cast Iron Continental
Limiting Orifice Valve**

**Cast Iron LPG Continental
Air Gas Ratio Regulator**

**Casting Continental
Dual Fuel Burners**

**Casting Continental Dual
Fuel Heavy Oil Burner**

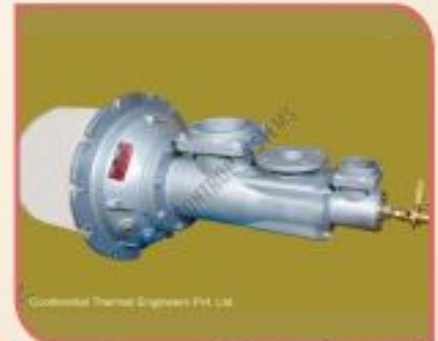

**Ceramic Burner
Ignition Electrodes**

**Continental Air Oil
Ratio Control Valve**

**Continental Direct
Spark Ignitor**

**Continental Dual Fuel
Fireall Burner Series 614**

Our Products

**Continental Duplex
Type Gas Train**

**Continental Premix Type
Pilot Gas Burners**

**Danfoss Burner
Nozzle**

**Dbc 2000 Honeywell
Burner Controllers**

**Die Cast Aluminium Madas
Slam Shut Off Valve**

**Diesel Suntec
Fuel Pump**

**EC/RM7800 Series Hon-
eywell Burner Controllers**

**Ecoflam Max 12
Oil Burner**

**Ecoflam Max Gas 70
P Gas Burner**

**Ecoflam Minor 4.1
Oil Burner**

**Eurotherm 2604 Advanced
Temperature Controller**

**Eurotherm 2704 Advance
Temperature Controllers**

Our Products

Flame Arrester

**G16 Honeywell
Elster Quantometer**

**G4 Diaphragm Gas
Flow Meter**

**Gas Kromschroder

**Honeywell Electronic
Volume Corrector Evc**

**Honeywell
Temperature Recorder**

**Honeywell UV
Sensor C7035**

Inlet Pressure Gauge

**Intello Smart
Modulating Actuator**

**LFL1.333 Siemens
Sequence Controller**

Our Products

**LGB21 Siemens Burner
Sequence Controller**

**LME21.230C2 Siemens
Burner Sequence Controller**

**Lme22 Siemens Burner
Sequence Controller**

Madas Gas Filter

**QRA10.C/QRA10M Siemens
UV Flame Detector**

**Multiblock Mild
Steel Burner**

Oil Burner Pump

**Iron Riello Burner
