DKY Sales Pvt Ltd, a leading manufacturer, supplier, and exporter of high-quality crash barriers, proudly based in Noida, Uttar Pradesh. Founded in 2002 by Mr. Sanjay Garg, Mrs. Preeti Agarwal, and Mr. Amit Agarwal, our company has built a solid reputation in the industry for providing innovative and reliable safety solutions that protect lives and property.

At DKY Sales, we specialize in an extensive range of crash barrier systems, including W Beam crash barriers, Thrie Beam crash barriers, and Railway crash barriers. Our products are designed to meet the highest safety standards while ensuring durability and effectiveness. We understand that road safety is paramount, and our mission is to contribute to safer travel experiences for everyone.

Quality is the backbone of our operations. Our state-of-the-art manufacturing facility employs advanced technologies and skilled professionals who are dedicated to crafting superior products. Every barrier we produce undergoes rigorous testing to ensure it meets both national and international safety regulations. This unwavering commitment to quality ensures that our customers receive products they can trust.

In addition to our focus on quality, we prioritize customer satisfaction. We believe in building strong relationships with our clients, and our team is always ready to provide expert advice and support tailored to specific project needs. Whether you are a government agency, contractor, or private entity, we are equipped to handle projects of any scale with efficiency and professionalism.

As we move forward, DKY Sales remains committed to innovation and sustainability. We continuously explore new technologies and materials to enhance our products, ensuring they not only meet current safety standards but also align with environmental responsibilities.
