ELECTRICAL PANELS

PRODUCT DETAILS

Medium Voltage Switchgear Panel

Finishing	::	Polished
Material	::	ABS, Mild Steel
Voltage	::	440V
Application	::	Industrial
Power Source	::	Electric
Power	::	1-3kw
Warranty	::	1 Year
Country of Origin	::	India
Color	::	Grey, White

₹ 0.5 - 10 Lac/ Piece(+ 18% GST applicable)

We are **ATSFLEXIPAC ENGINEERING**, a leading Manufacturer, Exporter, Supplier, and Trader of high-quality Medium Voltage Switchgear Panel. Crafted from durable ABS material with a non-polished grey finish, our panels are designed for industrial applications. These new panels offer a power range of 1-3kw, powered by electricity. Trust in our expertise to provide reliable and efficient switchgear solutions for your business needs.

PRODUCT DETAILS

Low Voltage Switchgear Panel

Shape	::	Rectangle
Color	::	Grey
Warranty	::	1 Year
Country of Origin	::	India
Voltage	::	440V
IP Rating	::	IP55
Automation Grade	::	Fully Automatic
Phase	::	Three Phase
Usage/Application	::	Industrial

₹ 0 - 10 Lac/ Piece(+ 18% GST applicable)

We offer **ISI Certified Low Voltage Switch Gears** designed for control panels with a frequency of 50Hz. Our automatic switchgear is easy to install, suitable for various applications. As a manufacturer, exporter, supplier, retailer, and trader, we provide new grey switchgears that ensure efficient automation. Upgrade your systems with our reliable and high-quality low voltage switchgear solutions.

ELECTRICAL PANELS

Power Control Center Panel

PRODUCT DETAILS

Business Type	::	Manufacturer, Exporter, Supplier
Body Material	::	Mild Steel
Warrenty	::	1 Year
Phase	::	Double Phase
Country of Origin	::	India
Voltage	::	440V
Color	::	Grey
Autoamatic Grade	::	Automatic
Power Source	::	Electric

₹ 25,000.00 - 75,000.00/ Piece(+ 18% GST applicable)

We are a leading Manufacturer, Exporter, Supplier, Retailer, and Trader of Power Control Center Panels made from high-quality Mild Steel in Grey color. Our **Electric-powered panels** come in various sizes to suit different needs, with a voltage rating of 110V. These Automatic Grade panels are designed for efficiency and reliability. Originating from India, our Power Control Panels come with a 1-year warranty, ensuring peace of mind for our customers.

Motor Control Center Panel

PRODUCT DETAILS

Business Type	::	Manufacturer, Exporter, Supplier
Size	::	Standard
Frequency	::	50Hz
Phase	::	Double Phase
Material	::	Mild Steel
Application	::	Industrial
Warranty	::	1 Year
Shape	::	Square, Rectangle
Automatic Grade	::	Fully Automatic

₹ 0 - 5 Lac/ Piece(+ 18% GST applicable)

We offer a high-quality **Motor Control Center** made of Mild Steel in a sleek Grey color. This Automatic Grade system with a power range of 3-6kw is ideal for the Electronic Industry. Operating on 110V electric power, this Double Phase unit comes with a 2-year warranty. As a Manufacturer, Exporter, Supplier, Retailer, and Trader, we provide top-notch Motor Control Centers for efficient power management in various applications.

ELECTRICAL PANELS

Sub Switch Board Panel

PRODUCT DETAILS

Power Source	::	Electric
Application	::	Industrial
Phase	::	Three Phase
Voltage	::	440V
IP Rating	::	IP 66
Warrenty	::	1 Year
Material	::	Mild Steel
Rated Current	::	Upto 6300 Amps
Color	::	Grey

₹ 80,000.00/ Piece(+ 18% GST applicable)

We are proud to offer the **L&T Sub-switch Board Panel, crafted** from high-quality Mild Steel for durability. Operating at 220V with Three Phase power, this fully automatic panel ensures efficient performance. With a Motor Power of 3-6kw and Rated Current up to 6300 Amps, it is suitable for various industrial applications. The IP66 rating guarantees protection against dust and water ingress. As a leading Manufacturer, Exporter, Supplier, Retailer, and Trader, we provide reliable and advanced electrical solutions to meet your needs.

LT Outdoor Panel

PRODUCT DETAILS

Application	::	Industrial Use
Voltage	::	440 V
Type	::	Lt Panel
Frequency	::	50hz
Color	::	Grey
Automation Grade	::	Automatic
Cooling System	::	Air Cooling
Country of Origin	::	India
Warrenty	::	1 Year

₹ 0.5 - 1.50 Lac/ Piece

We are a trusted Manufacturer, Exporter, Supplier, Retailer, and Trader offering the LT Outdoor Panel. This ISI Certified panel is designed for easy installation, making it ideal for control panels. With automatic automation grade and a sleek grey color, this new LT Outdoor Panel is a reliable choice for various applications. Upgrade your systems with our high-quality and user-friendly panel solution.

ELECTRICAL PANELS

Sub Distribution Panel

PRODUCT DETAILS

Color	::	White, Grey
Cooling System	::	Air Cooling
Warranty	::	1 Year
Motor Power	::	1-3kw
Phase	::	Single Phase
Usage/Application	::	Industrial
Automation Grade	::	Fully Automatic
Voltage	::	440V
IP Rating	::	IP55

₹ 65,000.00/ Piece(+ 18% GST applicable)

We are a leading Manufacturer, Exporter, Supplier, Retailer, & Trader offering an SEO-friendly White **Sub Distribution Panel**. Our **Automatic panel** is ISI Certified, ideal for Control Panels. This New panel ensures efficient operations & meets high-quality standards. Upgrade your electrical systems with our reliable & user-friendly Sub Distribution Panel. Trust our expertise for top-notch products in the industry.

Automatic Meter Panel

PRODUCT DETAILS

Body Material	::	Metal
Application	::	Industrial Usage
Voltage	::	220V
Display Type	::	Digital
Automatic Grade	::	Automatic, Fully Automatic
Power Source	::	Electric
Motor Power	::	3-6kw
IP Rating	::	IP66
Frequency	::	50Hz-65Hz

₹ 8,500.00/ Piece(+ 18% GST applicable)

We offer a fully automatic Meter Panel made of high-quality metal, suitable for industrial use. With a motor power of 3-6kw and a voltage of 220V, this panel is designed for three-phase systems with a rated current of up to 6300 Amps. Featuring an IP66 rating, it ensures reliable performance in various environments. As a leading Manufacturer, Exporter, Supplier, Retailer, and Trader, we provide top-notch Meter Panels that meet industry.

ELECTRICAL PANELS

Automatic Power Factor Controller Panel

PRODUCT DETAILS

Business Type	::	Manufacturer, Exporter, Supplier
Shape	::	Rectangle
Color	::	Grey
Warranty	::	1 Year
Country of Origin	::	India
Automation Grade	::	Fully Automatic
Voltage	::	440V
Rated Current	::	Above 6300 Amps
Material	::	Mild Steel
Motor Power	::	6-9kw
Phase	::	Three Phase
IP Rating	::	IP66

₹ 25,000.00/ Piece(+ 18% GST applicable)

We offer the **L&T Automatic Power Factor Controller Panel** made of high-quality Mild Steel. This fully automatic panel is designed for efficient power management with a motor power of 6-9kw and a voltage of 525V. Operating on three-phase power, it has a rated current above 6300 Amps and an IP rating of IP66. Ideal for manufacturers, exporters, suppliers, retailers, and traders seeking reliable power factor correction solutions.
