# ABOUT US

Queens World

Queens World, your trusted supplier and trader of high-quality brass products and innovative household items. Founded in 2023 by Mr. Tamil Arasi, we are proudly based in the vibrant city of Tiruchirappalli, Tamil Nadu. At Queens World, we believe in combining traditional craftsmanship with modern needs, bringing you products that enhance daily living and add value to your home.

Our diverse range of offerings includes beautifully crafted religious fridge magnets that serve as both decor and a source of inspiration. We also provide unique items like the Puberty Shower Plate, designed to support young individuals in their transitional journeys. Our Fiber Decorative Baskets and Wedding Decorative Plates reflect our commitment to craftsmanship, blending elegance and functionality to suit various occasions and spaces.

In addition to our brass products, we are excited to offer innovative items that cater to the modern lifestyle. Our Magic Water Book and Water Coloring Book promote creativity and learning, perfect for children and adults alike. For those looking for practical solutions, our Water Sensor Diya provides a sustainable lighting option, while our Mini Swivel Caster Wheels make mobility effortless.

Queens World is also dedicated to enhancing convenience in everyday tasks. Our Neckband Fan, USB Charger, and 7-in-1 Electronic Cleaner Kit are designed to meet the demands of contemporary living. Furthermore, our Telescopic Magnetic Pick-Up Tool ensures you can effortlessly retrieve small items, reflecting our commitment to innovation and utility.
