About US

TECHWELL SYSTEM is a leading Manufacturer, Exporter , Supplier and trader of high-quality cement plants and their associated machinery. With years of experience in the industry, we are committed to providing top-tier equipment and machinery that cater to the needs of cement manufacturing plants across the globe. Our dedication to quality, innovation, and customer satisfaction has established us as a trusted partner for businesses in the cement industry.

Our Vision

To be a global leader in supplying advanced and reliable cement plant machinery that drives efficiency, sustainability, and profitability for our clients.

What We Offer

We specialize in the export and trading of a wide range of machinery and equipment used in cement plants. Our product portfolio includes Cement Packing Machines, Cement Storage Silos, Batching Plants, Belt Conveyors, Hopper Tank Weighing Systems etc.

Why Choose Us?

- **High-Quality Machinery:** We offer machinery that is built to last, ensuring durability and efficiency in cement production.
- **Customized Solutions:** Our equipment can be tailored to meet the specific needs and requirements of each client's cement production plant.
- **Global Reach:** We serve clients across multiple countries, providing reliable equipment for both new cement plants and upgrades to existing ones.
- **Sustainability Focus:** We are committed to providing environmentally friendly machinery that reduces energy consumption and minimizes waste in the cement production process.

NAME OF FOUNDER	Mr. Kuniyankattil Santhosh
NATURE OF BUSINESS	Manufacturers, Exporters, Supplier, Trader Or Service Provider
YEAR OF ESTABLISHMENT	2005

Our Products

techwell
Since - 2005

Automatic Cement Packing Machine

Mild Steel Cement Packing Machine

Semi Automatic Cement Packing Machine

100 Tons Cement Storage Silo

70 Tons Cement Storage Silo

Our Products

techwell
Since - 2005

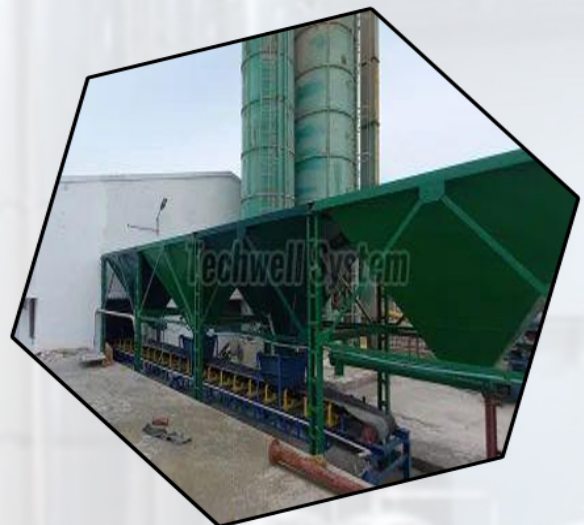

80 Tons Cement Storage Silo

Industrial Storage Silos

Concrete Batching Plant

Fully Automatic Concrete Batching Plant

Automated Weigh Feeder

Our Products

techwell
Since - 2005

Mild Steel Rotary Feeder

Rotary Air Lock Feeder

Screw Feeder

Cement Ball Grinding Mill

Concrete Batch Hopper

Our Products

techwell
Since - 2005

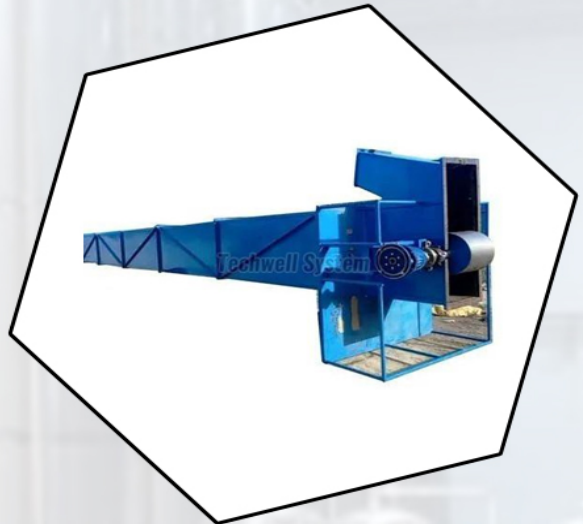

Belt Conveyors

Mini Cement Plant

TMT Bar Bending Machine

Mild Steel Bucket Elevator

Hopper Tank Weighing System

Our Products

techwell
Since - 2005

Dry Dust Collector

Liquid Resistance Starter

Roofing Sheet Making Machine

White Metal Bearing

Wheel Shaft Assembly
