**Wellcris Lifescience Pvt. Ltd.** is an innovation-driven pharmaceutical company, established in 2021, with a focus on manufacturing, sales, distribution, and marketing of pharmaceutical and cosmetic products. The company was founded by industry experts with deep technical knowledge and experience in the healthcare sector, collaborating closely with Wellcris Lifescience Pvt. Ltd., renowned for its expertise in critical therapeutic areas. Our commitment is to make innovative healthcare solutions affordable and accessible to customers and consumers alike.

### Our Vision

At Wellcris, we are guided by a vision to provide high-quality healthcare products that address essential medical and cosmetic needs. Our focus is on delivering solutions that enhance the quality of life, with a strong emphasis on ethical business practices and innovation. The company is driven by a mission to become one of the largest and most trusted names in the pharmaceutical industry in the coming decades, always with a priority on human health and well-being.

### Our Quality

To meet our ambitious goals, we have established a state-of-the-art, GMP-compliant manufacturing facility in Himachal Pradesh. This ultra-modern plant is dedicated to the production of high-quality formulations, adhering to stringent quality control standards. Leveraging advanced technology platforms and the extensive technical expertise of our team, we manufacture a range of innovative products that cater to the evolving needs of the pharmaceutical and cosmetic markets.

### Our Team

Our team consists of highly skilled professionals who are deeply involved in various aspects of production, quality assurance, and regulatory compliance. Each team member is committed to upholding the highest standards of quality and safety throughout the manufacturing process, ensuring that the products we deliver meet the rigorous demands of both healthcare providers and consumers.
