About Us

Cochin Wood Industries Private Limited, your trusted partner in premium plywood manufacturing, supply and Exporter Founded in 2021 by Mr. Edwin David, we are proud to call Ernakulam, Kerala, our home. Our company has quickly established itself as a leading manufacturer, exporter, and supplier of high-quality plywood products that cater to various industrial needs.

At Cochin Wood Industries, we specialize in an extensive range of plywood offerings, including 12mm Hardwood Plywood, 16mm Chequered Plywood, and Film Faced Shuttering Plywood, among others. Our products are crafted using the finest materials and adhere to rigorous quality standards, ensuring durability and performance in every application. We also offer specialized products like Marine Plywood and MR Grade Plywood, designed to withstand the toughest environments, making them ideal for construction and marine applications.

Our commitment to excellence extends beyond our products. We prioritize sustainability and responsible sourcing, ensuring that our wood materials are obtained from reputable suppliers who adhere to environmentally friendly practices. This dedication not only supports the preservation of our natural resources but also aligns with our vision for a sustainable future.

Cochin Wood Industries is driven by a passionate team of professionals who bring years of expertise and innovation to the industry. We understand the evolving needs of our clients and are dedicated to providing customized solutions that meet their specific requirements. Our focus on customer satisfaction has helped us build strong, lasting relationships with clients both locally and internationally.
