Incepted in 2005, Pack Ply India Pvt. Ltd. is a trusted Packaging Products Manufacturers and Suppliers in India. Based in Faridabad, Haryana, we have achieved a respectable position in the market by providing Packaging Products to our customers at reasonable prices. Our company is progressing at a fast pace, under the guidance of Mr. Kamal Kishor Jindal, the Manager of the company. His devotion and passion towards his work has enabled our company to acquire a prominent position in the market.

OUR RESOURCES

We have a sound infrastructure, which is supported by efficient manufacturing unit. We have well-equipped machines, which manufacture premium Packaging Products. Moreover, our team of skilled professionals and workers plays a major role in the success of the organization.

OUR INFRASTRUCTURE

We have a highly sophisticated manufacturing unit which is well-equipped with latest machinery and testing facilities. Our infrastructure includes manufacturing unit, quality testing unit and in-house design unit to ascertain effective and smooth production and post-production process. Assuring smooth and flawless production process, the infrastructure helps in meeting the bulk requirements of our clients. We are equipped with technologically advanced machinery like conveyors, molding machines and high speed wood cutting machines. These machines are operated by well-versed technicians and engineers. We keep on upgrading and modernizing our infrastructure to meet the changing trends and advancements in the field.

QUALITY ASSURANCE

Our wooden boxes, crates and pallets are made from fine quality wood, using well-equipped machines, which assure their optimum quality and durability. As our wooden products are meant to store and transport materials, safely, so we lay special attention on their finishing. They are manufactured as per the international standards by experts at every step of production to ensure their intactness.

CLIENT SATISFACTION

Since our inception, we have laid emphasis on cordial business relationships and client satisfaction. With a wide distribution network across the different industries, we have carved a niche for ourselves in the market. Owing to our advanced technology and effective manufacturing process, we have become the preferred choice for our customers. The products available with us are cost effective.
