Welcome to Aaynir Global, your trusted partner in exporting innovative and eco-friendly Tyvek-based products. Based in Indore, Madhya Pradesh, India, we specialize in premium-quality items such as Tyvek tote bags, shoe bags, wallets, and other versatile accessories.

At Aaynir Global, we are committed to sustainability and innovation. Tyvek, known for its durability, water resistance, and recyclability, ensures that our products meet global standards for quality and environmental consciousness.

With a focus on delivering exceptional value, we offer competitive pricing, unmatched service, and seamless logistics to meet the needs of businesses worldwide. Whether you're looking for stylish, lightweight, or eco-conscious products, Aaynir Global is here to deliver.

Tyvek is a unique, high-performance material made by DuPont. It is lightweight, durable, water-resistant, and breathable, offering exceptional strength while being recyclable and eco-friendly. Known for its paper-like texture and fabric-like flexibility, Tyvek

is widely used in industries like packaging, construction, and fashion.

Its versatility makes it perfect for creating innovative products such as tote bags, shoe bags, wallets, and other accessories that combine durability with sustainability.

Join us in promoting sustainability and style—partner with Aaynir Global today!
