Welcome to Aishwarya Foods and Exports – a name that stands for trust, quality, and commitment. As a leading export firm, we specialize in delivering premium quality fruits and vegetables to clients around the world. Our journey began in the domestic market in 1998, and since then, we have grown to become a trusted name in the international market, supplying top-notch produce across various countries.

At Aishwarya Foods and Exports, we understand the importance of quality. That's why we offer an extensive range of fresh, high-quality fruits and vegetables, carefully selected to meet the highest industry standards. Our product range includes essential vegetables such as onions, garlic, potatoes, green chilies, drumsticks, brinjals, okra, and more. We also provide a wide variety of fruits, including apples, oranges, grapes, pomegranates, bananas, sugarcane, and much more – all sourced from the best farms.

We believe that our success lies in the quality of our products and the relationships we build with our clients. With a team of highly skilled laborers and dedicated professionals, we ensure that every product leaving our facility is of the finest quality. Our focus on excellence and attention to detail makes us stand out in the competitive market.

At Aishwarya Foods and Exports, we don't just make promises – we fulfill them. We are dedicated to meeting our clients' needs by providing fresh, nutritious produce consistently. Our commitment to quality, reliability, and timely delivery sets us apart and has earned us the trust of our customers worldwide.

Under the visionary leadership of Mr. Nausal, our company has expanded its reach and continues to achieve new milestones of success. His guidance has helped us establish a solid foundation, and with his mentorship, we strive for continuous

improvement and innovation in everything we do.

We take immense pride in our ability to offer a diverse range of products, ensuring that our customers always receive the best seasonal selections, year-round. Our state-of-the-art supply chain system, combined with strategic sourcing and logistics, allows us to deliver the finest quality products at competitive prices, no matter where our clients are located.

At Aishwarya Foods and Exports, connecting with us is more than just a business transaction – it's about building lasting partnerships based on trust and mutual growth. We are excited to be your reliable partner in providing the highest quality fruits and vegetables, and we look forward to a future of shared success and continued excellence.
