Like every good thing, Samasta Foods also started with the ideato do something for the world. Samasta Foods is a certified organic food company that only puts forward the purest andcompletely unadulterated food in the market. We, at Samasta Foods, not only manufacture and supply 100% pure and certified organic food to our clients, we do this keeping quality andaccessibility our focus areas. We're a one-stop-shop, healthy food manufacturing company with everything under one roof – Readyto Cook food, Ready to Eat, Protein Bars and much more.

With our team of procurement masters, production experts, receipe maestros, we make an end to end organic food brand for our clients to sell to direct customers. We offer more than 200 organic food products, in bulk as well as consumer packs. Our journey started as an idea which soon became the core of our very existence.

Why Samasta Foods?

- **One Stop Solution** : We're a one-stop-shop for all your private label needs, from sourcing of ingredients to pack-aging and to transportation.
- **Stay Ahead of Trend** : We stay ahead of emerging food and packaging trends with countless food ideas.
- **Purity is our tradition** : Our mission and vision revolve around manufacturing and providing pure and certified organic products to our clients because pure deserves pure
- **Chef-Driven Innovation** : We have a rich experienced R&D team, Recipe scientists & Food technicians, leaving no stone unturned in innovation.
- **Backend Work** : We do all your backend work without any credit so that you can focus on sales and marketing of your brand.
- **Pure & Certified Organic Food** : We have everything in place. Top-notch quality certified organic food is just a click away from you. We provide pure and certified organic food offline and online.
