		<b>Magnesium</b>	: 27 mg (7% DV)

Our premium-quality William Bananas (Williams variety) are grown in the best banana-producing regions of India, known for their sweetness, rich texture, and vibrant yellow color. These bananas are harvested at their peak ripeness to ensure the highest quality and nutritional value. They are 100% natural, free from artificial ripening agents, pesticides, and chemicals, making them a healthier choice for consumers worldwide.

Excellent source of vitamins, especially Vitamin C, Vitamin B6, and Potassium. Rich in Fiber: Supports digestive health and keeps you feeling full. Boosts Energy: Ideal for a quick and healthy energy boost due to natural sugars like glucose, fructose, and sucrose.

Natural Sweetness: Williams Bananas have a naturally sweet flavor, making them perfect for snacking or use in desserts and smoothies.

7-10 days for fully ripe bananas, longer if stored unripe. To prolong shelf life, bananas should be stored at a cool temperature (13-14°C), and refrigeration is not recommended for bananas as it can damage the texture.
