

EKTA ENGINEERING CORPORATION

"Mfrs of Ekta Friction Components"

"Quality a Way to Success"

**MANUFACTURER
& SUPPLIER**

PRODUCTS

SERVICES

www.ektaengineeringcorp.com

Ekta engineering Corportion with a core business of manufacturing industrial friction products was incepted in the year 2001 under the leadership of our Ceo Mr. Suresh N. Kamath. Who has been creator and designer of the company.

Manufacturing set up sprawling over 6000 square feet has an ever growing capacity of producing 25 to 30 metric tones of finished components annually.

With Profound knowledge of our Ceo and Team, we provide "One stop solution" for Industrial friction liners catering to mechanical forging press, mechanical sheet metal stamping press, electromagnetic brakes, marine gear boxes, EOT Crane brakes, hammer forging presses, printing presses, fork lifts, and variety of mechanical braking systems. We also manufacture anti friction thrust pads for submersible pumpsets.

With recent advancements and demand for eco friendly, Asbestos free brake liners, we have successfully developed non Asbestos liners which are eco friendly, Hazard less, Asbestos Free and will be a game changer in the futuristic growth in our sector.

Our new additive manufacturing technology has not only helped us in achieving our targets on time but has also helped us to stretch our potentials in manufacturing tailor made products to our customers.

Our Vision is to become one of the leaders in providing quality products for the maximum customer satisfaction and continuously developing systems to deliver trust in our products.

"Quality is the only answer to success"

With our Profound skill set in relining clutch/ brake / plates. We provide relining services across India to our Customers where in old worn out clutch/ brake liner plates are replaced with new liners thus providing value added services. We have relining centers in Mumbai, Pune and also do on-site visits.

Mechanical Forging Press Brake Liners

**G Series Non Asbestos
Friction Liners**

**K Series Non Asbestos
Friction Liners**

**PM 6 Asbestos
Friction Blocks**

**PM 6 Asbestos Friction
Segment Brakes**

Metal Sheet Stamping Mechanical Press Brake Liners

**PM 6 Friction
Blocks**

**PM 6 Friction
Segment Brakes**

**WM 8 Friction
Blocks**

**WM 8 Friction
Segment Brakes**

**G Series Trapezium
Brake Blocks**

**G Series Russian
Brake Blocks**

Forging Hammer Press Components

Nylon Pull Cord

**Drop Stamp
Hammer Belt**

BA Brake Liners

Gear Liners

Friction Gear Disc

PM 6 Gear Ring

WM 8 Gear Ring

Electromagnetic Clutch Liners

PM 6
Electromagnetic
Clutch Ring

WM 8
Electromagnetic
Clutch Ring

G Series
Electromagnetic
Clutch Ring

K Series
Electromagnetic
Clutch Ring

Crane and Hoist Liners

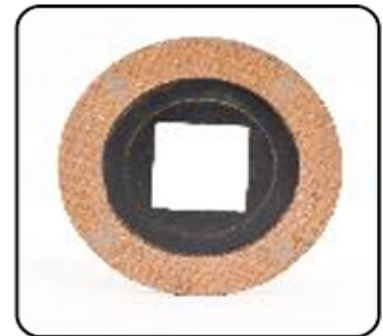

**Vulcanized Red
Fiber Disc**

**Brake Shoe
Liners**

**Hoist Brake
Liner**

**Brake Liner with
Metal Disc**

Relining Services

**Clutch Relining
Services**

**Brake Relining
Services**
