

AAOPEN GLOBAL

Aaopen Global

AAOPEN GLOBAL is a fast-growing supplier of high-quality pharmaceutical raw materials and industrial chemicals, serving clients across the globe. With a strong commitment to quality, reliability, and regulatory compliance, we provide comprehensive solutions for manufacturers in the pharmaceutical, nutraceutical, agrochemical, and specialty chemical sectors.

About Us

AAOPEN GLOBAL is a fast-growing supplier of high-quality pharmaceutical raw materials and industrial chemicals, serving clients across the globe. With a strong commitment to quality, reliability, and regulatory compliance, we provide comprehensive solutions for manufacturers in the pharmaceutical, nutraceutical, agrochemical, and specialty chemical sectors.

Vision

To become a globally trusted name in pharmaceutical and chemical raw material supply, supporting health, sustainability, and innovation.

Mission

To deliver high-quality chemical solutions with transparency, integrity, and scientific excellence.

Why Choose AAOPEN GLOBAL?

- Wide Therapeutic Coverage
- Trusted Global Supplier Network
- Consistent Quality Assurance
- Regulatory & Logistical Support
- Customer-First Approach

Product Portfolio

Pharmaceutical Raw Materials

(APIs, Advanced Intermediates, Chemicals & Excipients)

- We offer high-grade ingredients across a wide range of therapeutic categories:
- Cardiovascular Drugs
- Antidiabetic Agents
- Oncology (Anticancer Drugs)
- Anti-infectives
- Central Nervous System (CNS) Drugs
- Gastrointestinal Agents
- Respiratory Drugs
- Analgesics & Antipyretics
- Dermatologicals
- Urology & Nephrology
- Ophthalmic & ENT Products
- Vitamins, Minerals & Nutraceuticals
- Agrochemicals & Fertilizer Additives
- Insecticides, Fungicides, Herbicides
- Soil Conditioners & Micronutrients
- Bulk Intermediates for Formulation
- Specialty & Industrial Chemicals
- Solvents, Catalysts, Lab Reagents
- Organic and Inorganic Compounds
- Custom Formulations & Bulk Supply

Quality & Compliance

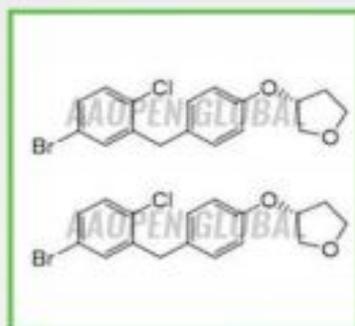

- GMP-Compliant Sources
- COAs, MSDS, and Regulatory Documents Available
- Third-Party Testing and International Documentation on Request

Our Products

(S)-(+)-3-Hydroxytetrahydrofuran API Intermediate

(S)-3-(4-(5-Bromo-2-Chlorobenzyl)Phenoxy) Tetrahydrofuran API Intermediate

2-Chloro-4-Fluoro-5-Iodobenzoic Acid API Intermediate

2-Chloro-5-Iodobenzoic Acid API Intermediate

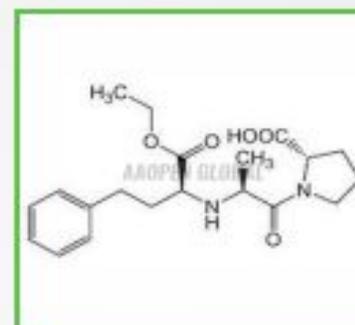

2-Methylbenzoic Acid API Intermediate

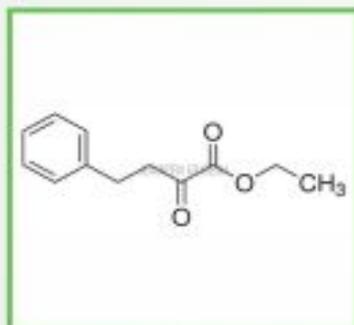

4-Fluorobenzene API Intermediate

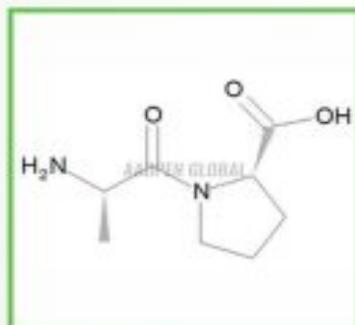

Canagliflozin Raw Powder API Intermediate

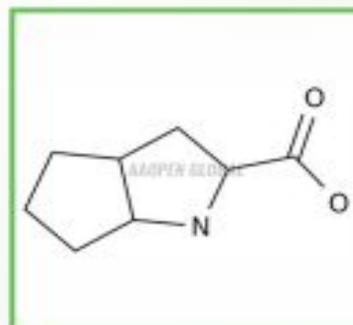

Enalapril API Intermediate

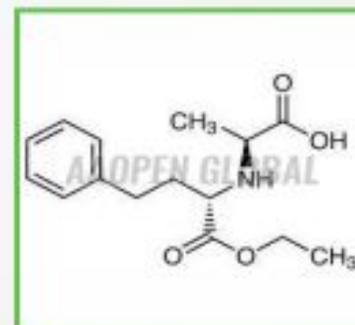

Ethyl 2-oxo-4-phenylbutyrate API Intermediate

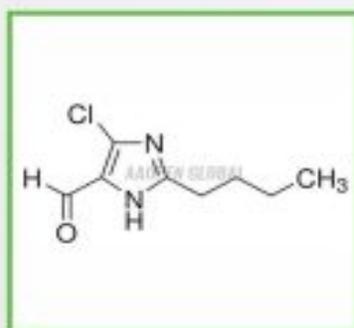

L-Alanyl-L-Proline API Intermediate

2-Azabicyclo[3.3.0]octane-3-carboxylic Acid API Intermediate

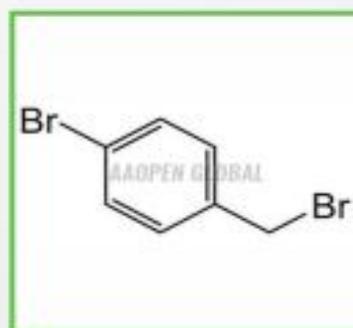

N-[1-(S)-Ethoxycarbonyl-3-Phenylpropyl]-L-Alanine API Intermediate

2-Butyl-4-chloro-1H-imidazole-5-carbaldehyde API Intermediate

2-Cyano-4-Methyl Biphenyl (Otnb) API Intermediate

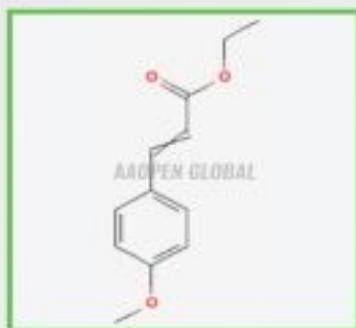

4-bromo Benzyl Bromide

L Valine Powder API Intermediate

Our Products

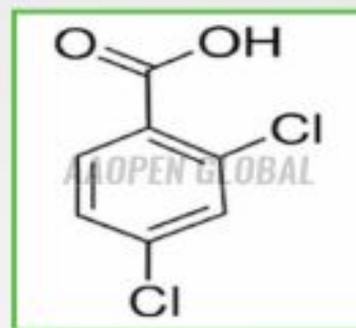

(E)-Methyl 3-(4-methoxyphenyl)prop-2-enoate API Intermediate

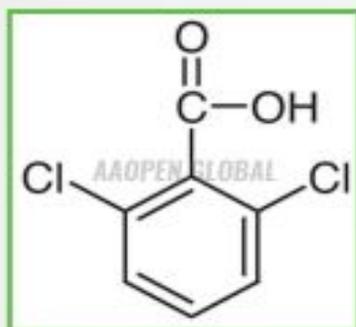

2-(2-bromophenyl)-4 API Intermediate

Chloroacetyl Chloride API

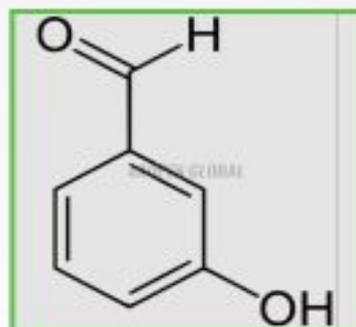

2,4-Dichlorobenzoic Acid API Intermediate

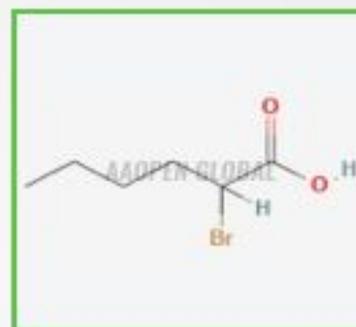

2,6-Dichlorobenzoic Acid API Intermediate

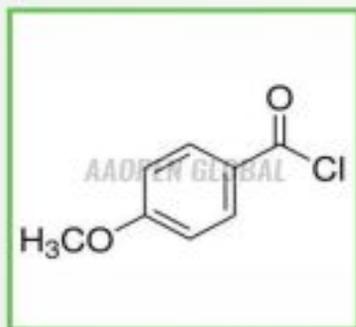

Chloro Sulphonic Acid

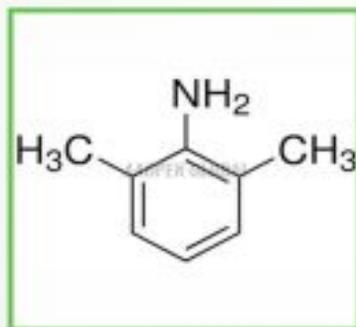

2 Hydroxybenzaldehyde

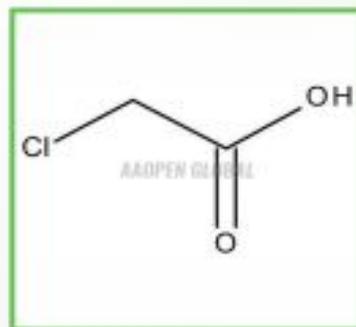

2-Bromohexanoic Acid

4-Methoxybenzoyl Chloride

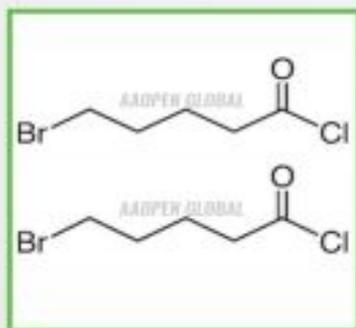

2,6 Dimethylaniline

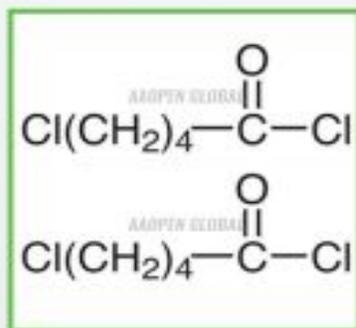

Chloro Acetic Acid

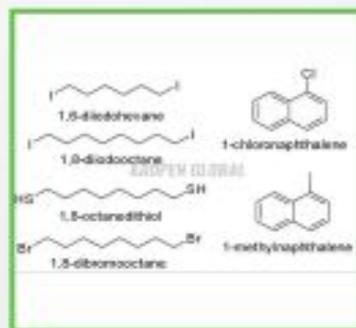

Transparent Liquid Diethylamine

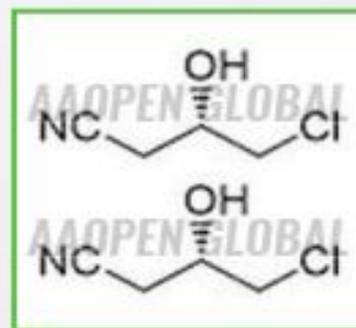

5-Bromovaleryl Chloride

5-chlorovaleryl Chloride

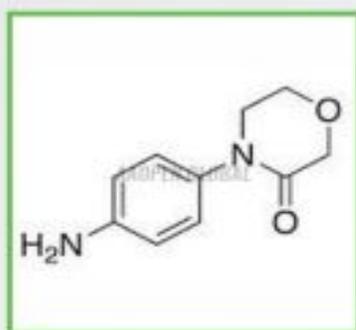

Delta-Valero Lactone

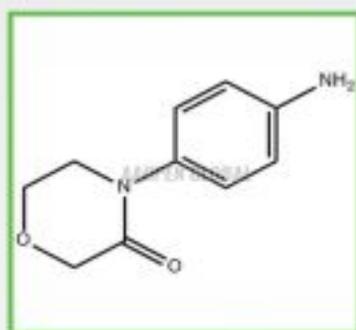

(S)-4-chloro-3-hydroxybutyronitrile

Our Products

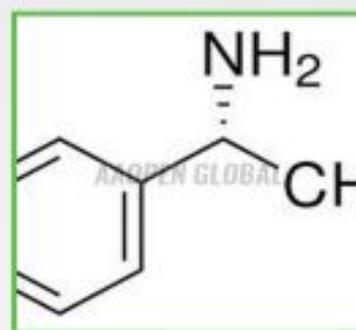

4-(4-Aminophenyl)-3-morpholinone

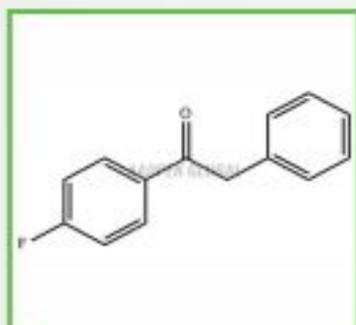

4-(4-aminophenyl)morpholin-3-one

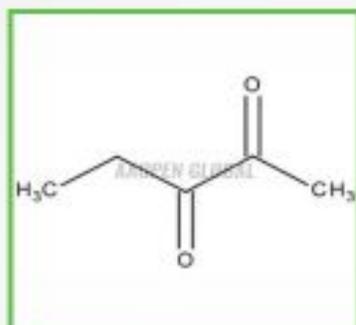

(4R)-4-aminopentanoic Acid API Intermediate

(R)-(+)-Alpha-Methyl Benzylamine

1-(p-Fluorophenyl)-2-phenylethan-1-one

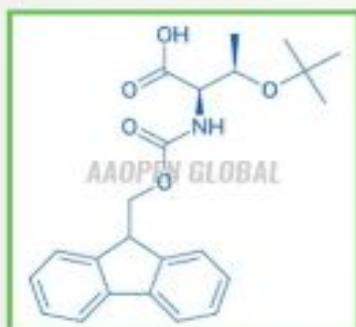

2,3-Pentanedione API Intermediate

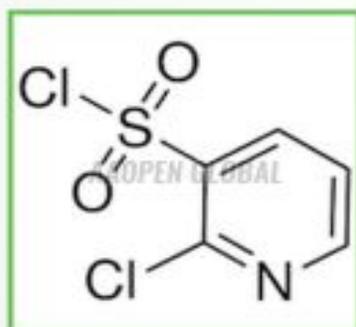

4-(4-Fluorophenyl)-6-isopropyl-2-(N-methyl-methanesulfonamido)-5-pyrimidinecarbaldehyde

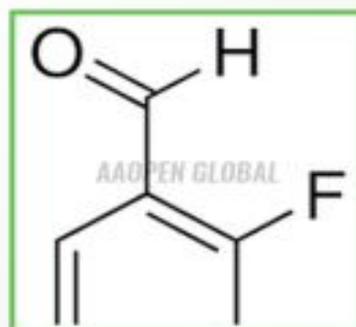

Rosuvastatin Calcium API Intermediate

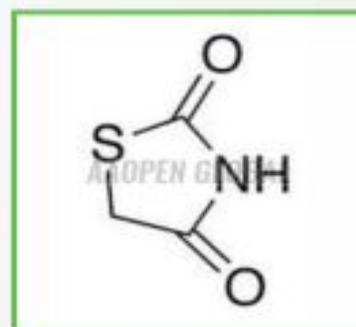

5-(2-Acetamidoethyl) 2,2-dimethylbutanethioate

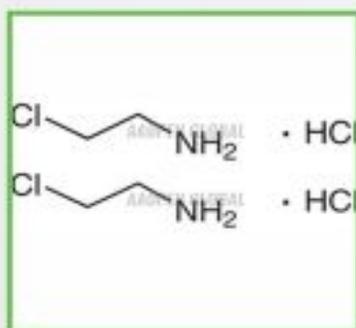

2-chloropyridine API Intermediate

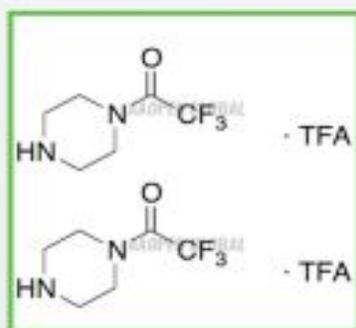

4-Fluorobenzaldehyde API Intermediate

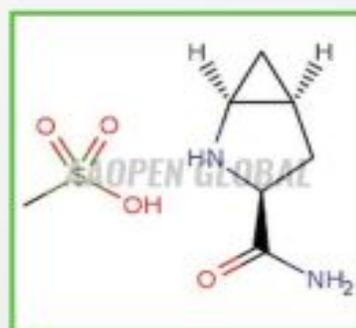

4-Thiazolidinedione API Intermediate

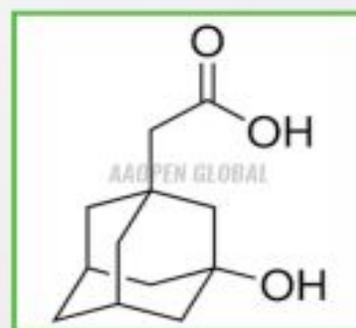

2-Chloroethylamine Hydrochloride

Trifluoroacetyl Piperazine 2,2,2-Trifluoroacetate

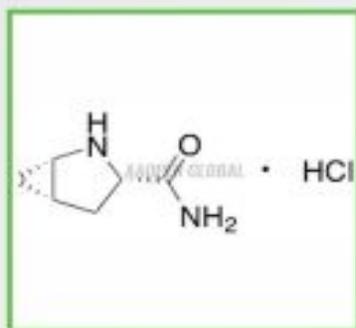

2-Azabicyclo[3.1.0] hexane API Intermediate

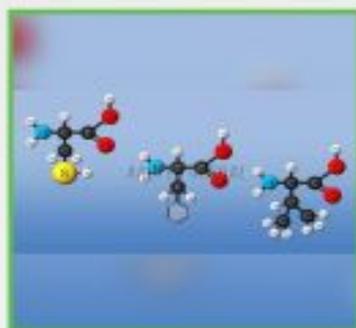

3-Hydroxyadamantane API Intermediate

Our Products

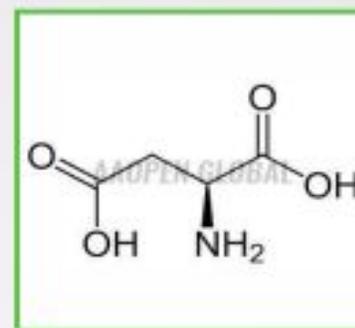

**5S)-2-azabicyclo
[3.1.0]hexane-
3-carboxamide**

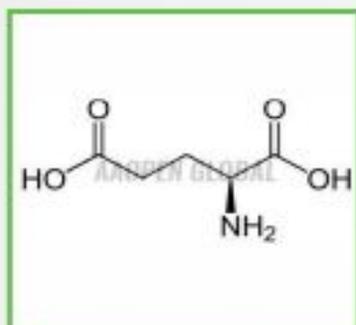

**Peptides Amino
Acids**

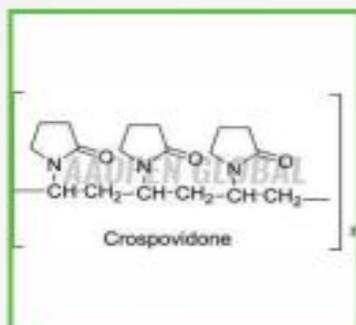

**Protein Synthesis
Pharmaceutical
Intermediates**

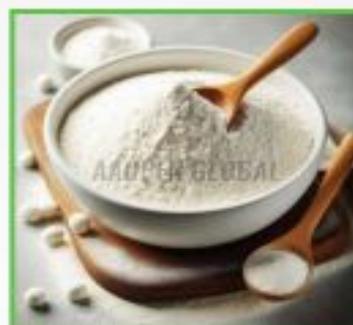

**Aspartic Acid
Pharmaceutical Excipient**

**Glutamic Acid
Pharmaceutical
Excipient**

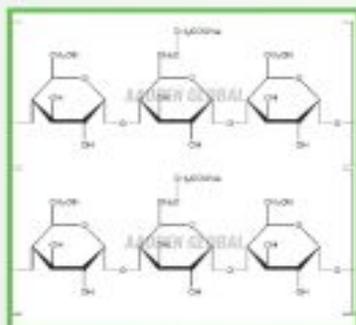

**Crospovidone
Pharmaceutical Excipient**

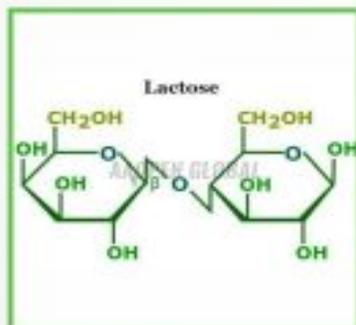

**High Amolyse Starch
Pharmaceutical
Excipient**

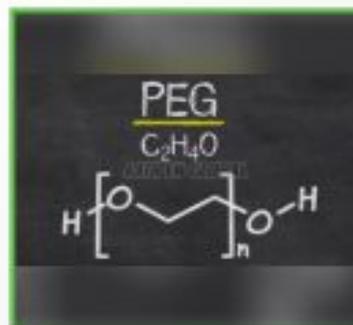

**Lactose Monohydrate
Pharmaceutical
Excipient**

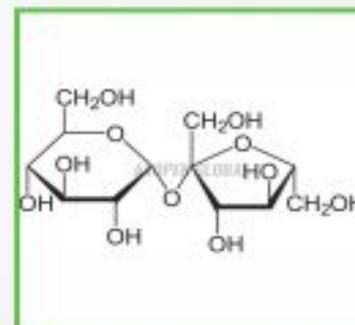

**Sodium Starch Glycolate
Pharmaceutical
Excipient**

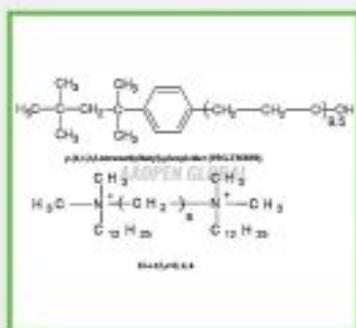

**Lactose
Pharmaceutical Excipient**

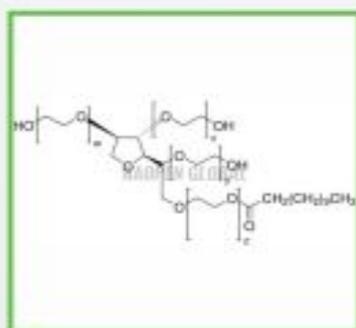

**Peg Polyethylene
Glycol**

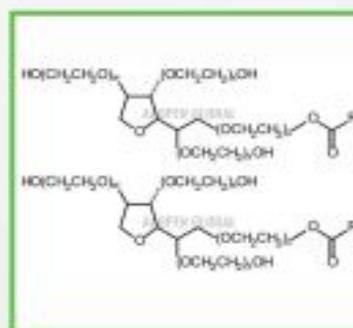

**White Sucrose
Powder**

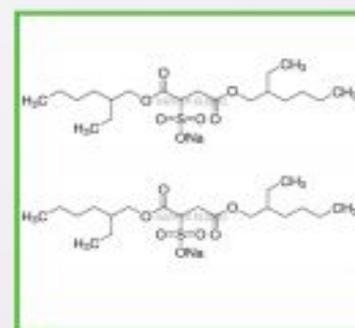

**Calfactant API
Surfactant**

**Tween 20
Pharmaceutical
Excipient**

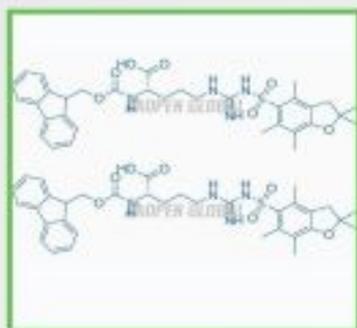

**Tween 40
Pharmaceutical
Excipient**

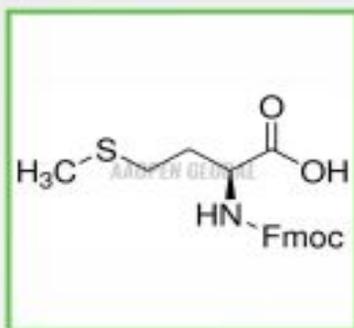

**Dioctyl Sodium
Sulfosuccinate**

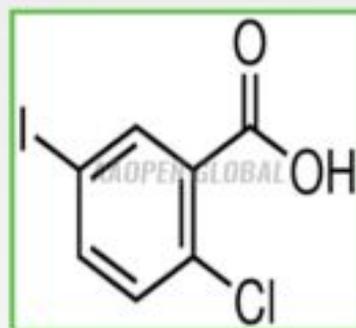

Our Products

**Fmoc-Arg(Pbf)-
Oh 154445-77-9**

**FMOC-L-Met-
OH, 71989-28-1**

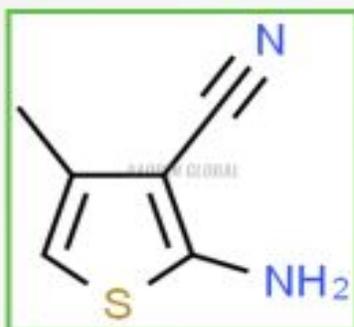

**5-Iodo-2-Chloro
Benzoic Acid**

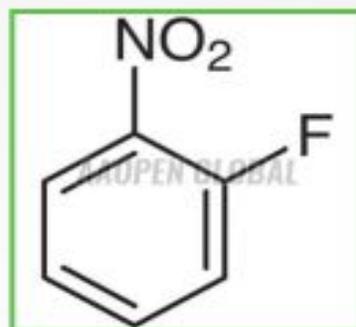

**1-Octane Sulphonic
Acid Sodium**

**Perfluorohexyl
Iodomethane**

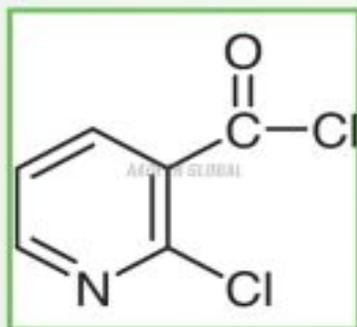

**2-Amino-5-Methyl-
3-Cyanothiophene**

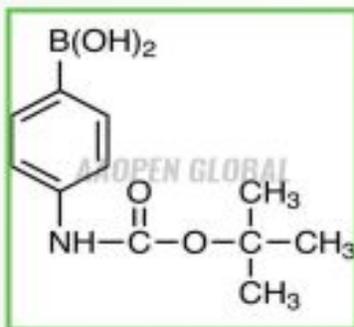

2-Fluoronitrobenzene

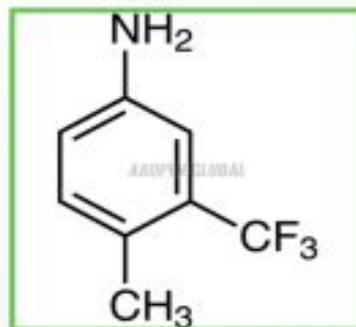

**2 Fluoro 6 Methoxy
Benzene
Sulphonyl Chloride**

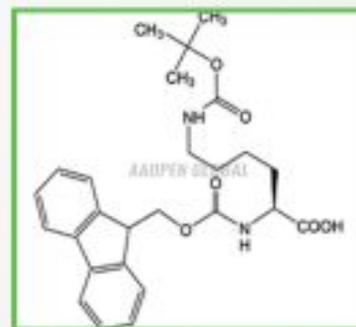

**2-Chloronicotinoyl
Chloride**

**4-(Tert-Butoxycarbonyl)
amino]phenylboronic Acid**

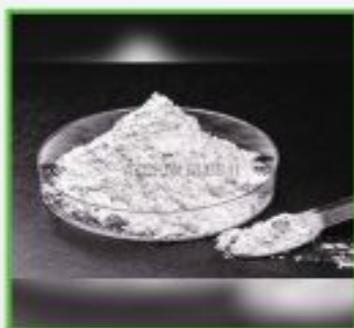

**4-Methyl-3-
(Trifluoromethyl)Aniline**

**Fmoc-L-Lys(Boc)-OH ,
CAS No 71989-26-9**

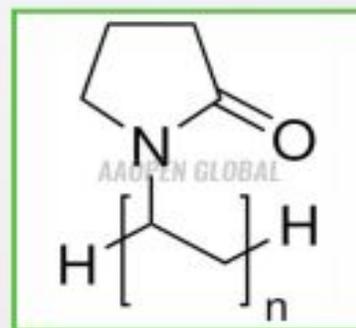

**Acacia Gum
Granules**

**Colloidal Silicon Dioxide
Pharmaceutical Excipient**

**Tryptophan
Pharmaceutical Excipient**

**Pvp Pharmaceutical
Polyvinylpyrrolidone**
