# ABOUT US

Padsons Industries Pvt. Ltd. group of Company. The seed was sown way back in 1954 when Padgilwar Group started manufacturing manual and semi-automatic farm machinery. High quality seeds are a prerequisite for bumper crops and richer harvests. The need for processing seeds - separating the good from the bad, the strong from the weak, the large from the small has been the driving force behind the development of PADSONS World- Class seed processing plants. The fiery enthusiasm to venture into unexplored areas, the capability to overcome hurdles and transform the odds into opportunities, the overwhelming desire to excel in every endeavor -- these are the indefinable qualities that are manifested in every machine manufactured by PADSONS. The Three plants of Padgilwar group at Akola are equipped with some of the world's best machines and excellent testing facilities enabling them to manufacture range of machines that stand out as import substitutes at par with world's renowned machines. At PADSONS, the selling of a machine is not the end, but the beginning of an enduring relation. It is the prompt and efficient after-sales-service that has contributed to the reputation of Padgilwar as much as the quality and performance of their machinery. And this tradition for excellent service continues to be the forte at PADSONS. The confidence PADSONS have earned from their reputation gives them the Inspiration and strength to look forward the future with hope and Determination.

## ◆ Awards

- ✔ Export Award for PADSONS Rice Mill
- ✔ Best Industry Award from Department of Industries
- ✔ UDYOGSHREE award in 1999 for Outstanding contribution in agriculture engineering industry.
- ✔ JMCCI National award for excellence in Agro engineering industry.
- ✔ Maharashtra State Export Award For Seed Processing Plant Supplied to Bangladesh

## ◆ Quality Policy

- ✔ PADSONS is committed to provide best quality and cost effective products to our customer ensuring complete customer satisfaction through continuous up-gradation from our management systems.
- ✔ We have a zero tolerance approach wherein it is mandatory for all raw materials to go through stringent quality check ensuring manufacturing of quality products.
- ✔ Adherence to quality standards is the responsibility of all PADSONS employees Moreover we look forward to achieve excellence in our products by constantly listening to customers feedback and needs and implementing valid changes to our products.

## Seed Grader

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Power Source : Electric Motor
- > Type Of Machines : Grain Cleaner
- > Material : Mild Steel
- > Driven Type : Electric
- > Automatic Grade : Semi Automatic
- > Type: Seed Grader
- > Certification : ISI Certified, CE Certified

## Horizontal Belt Conveyor

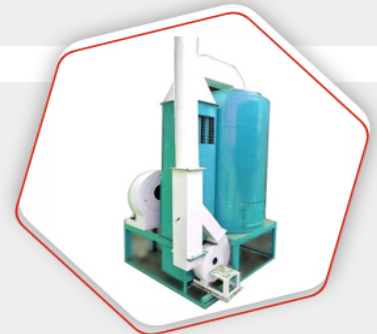

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Material : Metal
- > Color : Green
- > Condition : New
- > Certification : ISO 9001:2008
- > Feature : Easy To Use, Excellent Quality, Long Life
- > Country of Origin : India
- > Delivery Time : 2-3week

## Dall Mill Dryer

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Brand Name : Padsons
- > Material : Mild Steel
- > Color : White
- > Condition : New
- > Certification : ISO 9001:2008 Certified
- > Warranty : 1 Year
- > Country of Origin : India

## Seed Coater

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Delivery Time : 1week
- > Packaging Details : Packing and transportation at actual.

## Seed Sampler

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Color : White
- > Certification : ISO 9001-2008
- > Country of Origin : India
- > Delivery Time : 1week
- > Packaging Details : Packing and transportation at actual.

## Cut Seed Separator

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Brand Name : Padsons
- > Driven Type : Electric
- > Color : Grey
- > Condition : New
- > Automatic Grade : Automatic
- > Power : 1-3kw
- > Application : Separating cracked seed form good seed

## Mud Ball Separator

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Material : MS
- > Finishing : Painted
- > Color : Grey and Blue
- > Condition : New
- > Application : Industrial Usage
- > Certification : CE Certified,ISO 9001:2008
- > Type : Separation Equipment

## Flat Belt Conveyor

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Brand Name : Padsons
- > Finishing : Painted
- > Driven Type : Electric
- > Machine Material : Mild Steel
- > Shape : Rectangular
- > Color : Green
- > Condition : New

## Inclined Belt Conveyor

### SPECIFICATIONS

- > Brand Name : Padsons
- > Material : MS
- > Brand : Padsons

## Indented Cylinder Grader

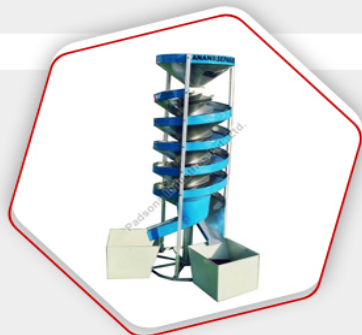

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Driven Type : Electrical
- > Condition : New
- > Automatic Grade : Semi Automatic
- > Power : 60-80BHp, 80-100BHp
- > Application : Rice And Aata Mill
- > Certification : CE Certified
- > Type : Indented Cylindrical Graders

## Cotton Seed Delinting Plant

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > We are Maharashtra based Manufacturer, Supplier and Exporter of Cotton Seed Delinting Plant. Our Cotton Seed Delinting Plant is fabricated using advanced technology that enables its high performance. The Cotton Seed Delinting Plant, which we offer, is completely eco-friendly as it produces no pollution at all, while carrying out its operation.

## Spiral Separator

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Type : Spiral Classifiers
- > Material : Galvanized Steel
- > Weight : 275
- > Color : Blue
- > Condition : New
- > Warranty : 1year
- > Country of Origin : India

## Seed Treater Machine

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > We offer Seed Treater Machine that ensures uniform coating of pesticides on each individual seed grain. This is essential in order to protect the seed against seed borne, soil borne diseases, etc. The Seed Treater Machine, which we offer, is made from high-grade stainless steel that ensures its long life.

## Seed Pre Cleaner Machine

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Padsons Seed Pre Cleaner Machine has a unique and compact design to give absolutely reliable performance. We offer Seed Pre Cleaner Machine, that has high separation capability, long-life, easy-handling and high output. Our Seed Pre Cleaner Machine has highly efficient blower providing sufficient air volume in primary and final aspiration chamber. The light impurities and dust are extracted by primary aspiration at the entry of hopper.

## Inclined Flat Belt Conveyor

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Type : Horizontal Conveyors
- > Belt Material : PVC
- > Phase : Three Phase
- > Shape : Rectangular
- > Speed Adjustable : No
- > Certification : CE Certified
- > Color : Green

## Gravity Separator

### SPECIFICATIONS

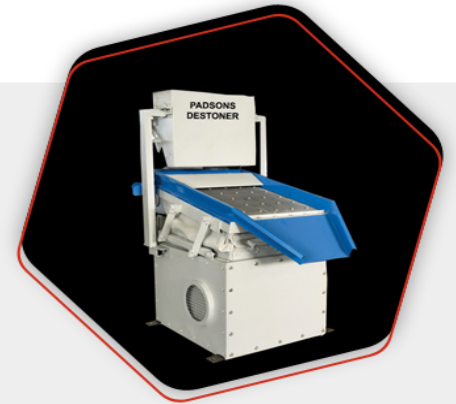

- > Business Type : Manufacturer, Exporter, Supplier
- > Type : Gravity Separator
- > Certification : CE Certified, ISO 9001:2008
- > Application : Industrial
- > Color : Light White
- > Voltage : 440V
- > Condition : New
- > Warranty : 1year

## Destoner Machine

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Type : Destoner Machine
- > Certification : CE Certified, ISO 9001:2008
- > Application : Dall Mill
- > Weight : 700-800kg
- > Color : Grey
- > Voltage : 440V
- > Condition : New

## Bucket Elevator

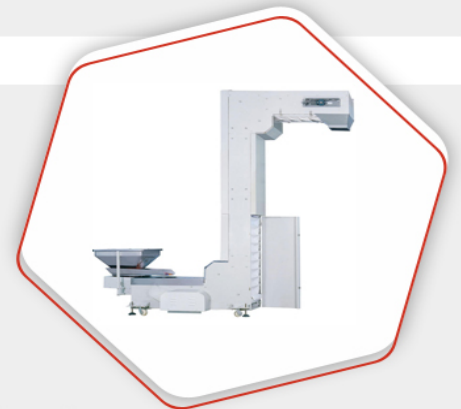

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Capacity : 1-20 TPH
- > Max capacity : 40 TPH
- > Type : Bucket Elevators
- > Shape : Rectangular
- > Certification : ISO 9001:2008, CE Certified
- > Application : Industrial
- > Color : Light White

## Z-type bucket Elevator

### SPECIFICATIONS

- > Business Type : Manufacturer, Exporter, Supplier
- > Brand Name : Padsons
- > Driven Type : Electric
- > Elevator Type : Z-type
- > Color : Light White
- > Condition : New
- > Certification : ISO 9001:2008
- > Feature : Best Quality, Smooth Function
