## Creating better nutrition.

In 1975, Ashoka Oil Industries embarked on a voyage that has spanned four remarkable decades, establishing itself as the premier manufacturer and exporter of Oil Seeds and Edible Oils in India. Our product portfolio features the exquisite craftsmanship of Mustard Oil, Groundnut Oil, and Sesame Oil, all bearing the signature of excellence under the NETAJI® brand.

## 47 Years of Trust

Ashoka Oil Industries proudly upholds a legacy of delivering the finest Edible Oils, infusing delectable taste and aroma into every culinary creation. Our commitment to purity, freshness, and uncompromising quality has earned us accolades from satisfied customers, cementing our position as a trusted brand both at home and abroad.

NETAJI® stands as the epitome of premium edible oils, gracing the kitchens of Indian households as a go-to, healthy cooking medium. With a wealth of four decades of experience and extensive market research, we've unlocked the secret to our enduring success.

Our dedication to quality service, a robust distributor network, and unwavering support from our valued business associates have not only garnered us a vast clientele within India but have also expanded our presence on the global stage.

## Quality & Compliance

**In-House Manufacturing Excellence:** Our Company's Unique Strength Lies in Our Ability to Manage Every Facet of the Manufacturing Process In-House. This Approach Empowers Us to Uphold the Highest Standards of Quality Control and Ensures Prompt, Reliable Deliveries to Our Valued Customers.

**Cutting-Edge Facility:** Our State-Of-The-Art Facility Is Equipped with Advanced Machinery and Technology, Providing Us with the Capability to Craft Products Precisely to Our Clients' Specifications. This Commitment to Modernity Guarantees the Excellence Our Clients Expect.

**Proud of Our In-House Capabilities:** at Our Company, We Take Great Pride in Having an In-House Advanced Laboratory with Glc Machines. These Capabilities Allow Us to Meticulously Oversee Quality Control at Every Stage of Production. the Outcome Is a Range of Products That Consistently Meet the Highest Quality Benchmarks, Aligning Seamlessly with Our Customers' Discerning Requirements.
