About Us

Jain Bike Care is a trusted and established name engaged in supplying, trading, and retailing a diversified range of products across India. Established in 2016, our core business focuses on two-wheeler spare parts, where we operate as a reliable wholesaler and intermediary for all major brands, ensuring consistent quality and timely availability.

Alongside automobile spares, we offer an extensive assortment of four-wheeler spare parts, vehicle accessories, car and bike batteries, engine oils, and chemical powders, catering to both industrial and consumer requirements. To further diversify our portfolio, we also deal in kids wear, dry fruits, and selected food items, supplied strictly against confirmed orders to maintain freshness and quality standards.

Under the leadership of Mr. Abhishek Ostwal, Jain Bike Care has built a strong distribution network with Pan-India market coverage, serving retailers, workshops, and bulk buyers efficiently. With a dedicated team of 6 to 20 skilled professionals, we focus on transparent dealings, competitive pricing, and customer-centric service.

Our consistent performance and ethical business practices have enabled us to achieve an annual turnover of Rs. 2.5 to 5 Crore Approx., making Jain Bike Care a dependable partner for quality products and long-term business relationships.
