R.V. Exports Ltd. is engaged in the exports of agricultural commodities from Tanzania. Established in 2006, with around 20 years of agribusiness experience of our director, its main exports were Cashew Nuts and Sesame Seeds. Through expanding its branches within Tanzania, and maintaining good reputation in the industry. We were able to expand our list of products to accommodate various types of Oil Seeds, Pulses and Beans.

R.V. has its headquarters in Dar es Salaam which is the financial capital of Tanzania, and its amongst one of the most active ports in Africa. Our team of well qualified and experienced employees are dedicated to serve our customers needs in all aspects. We are ethical, innovative and constantly striving to improve so that we can deliver maximum value to the farmers and our international buyers.

Apart from the exports from Tanzania, through the reputable links we have developed globally over the years, we are able to source new products from our trade partners in other countries to supply and satisfy our customers requirements.

### **Why do Business with Us?**

We are able to offer our products at very competitive prices in the market and at good volumes. We take extra care to ensure that the products meet the quality standards of our customers. We are very ethical and believe that long term business relationships are important for a company's success and we are willing to execute anything in our means possible to achieve that.
