Countronics is a trusted manufacturer of Electronic Process Control Instruments designed for industrial applications. Our focus has always been on delivering innovative, easy-to-use, and cost-effective solutions that help industries monitor and control critical processes efficiently.

We offer a wide range of process control equipment for indication, data monitoring, and control of key parameters such as Temperature, Time, Counting, RPM, Humidity, pH, Conductivity, and ORP. Our brand, COUNTRON, is recognized for standardization, reliability, and consistent performance.

Established in 1978, Countronics is committed to complete product quality. Every product undergoes strict quality assurance checks to maintain high standards. For more than a decade, we have been exporting to OEMs and dealers across the USA, UK, Australia, and South-East Asia.

Our sister company, Audiotronics, has been a pioneer in temperature indication, control, and automation in India and is well regarded in the instrumentation industry.

Our products are widely used across industries including Automobile, Cement, Sugar, Fertilizer, Fisheries, Pharmaceuticals, Chemicals, Plastics, Pollution Control, Mineral Water, and Horticulture.

Name of Founder	Mr. Dinesh Kumar Gupta
------------------------	------------------------

Year of Establishment	1978
------------------------------	------

Number of Employees	21 - 50 Employees
----------------------------	-------------------

Nature of Business	Manufacturer, Exporter, Supplier
---------------------------	----------------------------------

Market Covered	Worldwide
-----------------------	-----------

Legal Status of Firm	Individual (Sole proprietorship)
-----------------------------	----------------------------------

Annual Turnover	Rs. 0.5 to 2.5 Crore Approx.
------------------------	------------------------------

GST No	09AABHD8394P1ZI
---------------	-----------------

Amp-Hour

220V Programmable
AMP Hour Meter

804AH Ampere Hour
Meter with Dual Time
Relay

805AH Programmable
Ampere Hour Meter

Ampere Hour Meter
with Charge Discharge

Programmable AMP
HR Meter

Conductivity, Indicator, Controller & Transmitter

Automatic Infrared Non
Contact Temperature
Indicator

Digital Humidity
Indicator

Digital Temperature Indicator, Controller, Logger

Digital Temperature Controller with Soak Timer

Model 7210 Digital Humidity Controller

Model 7214 Digital Temperature Controller

Digital Timers

10 Channel Sequential Timer

2 Digit Digital Timer with LED Display and Thumb Wheel

2 Digit On Off Repeat Cycle Timer

3 Digit Digital Timer with LED Display and Thumb Wheel

Model 1050D Microprocessor Based Timer

Programmable Timer

Timer with 2 Thumb Wheel Settings Without Display

Timer with 3 Thumb Wheel Settings Without Display

Flow Meter, Indicator and Controller

4 Digit Counter without Preset Limit

4 Digit Digital Flow Rate Indicator and Totalizer

Digital Flow Rate Indicator and Totalizer

Flow Indicator for Analog Digital Input

Temperature & Humidity

Humidity and Temperature Logger Using USB Flash Pen Drive

Model 7100 Digital Humidity Temperature Controller

Model 7100-CRM Clean Room Monitor

Model 7214 Humidity Temperature Controller

Model 7217 Humidity Temperature Controller

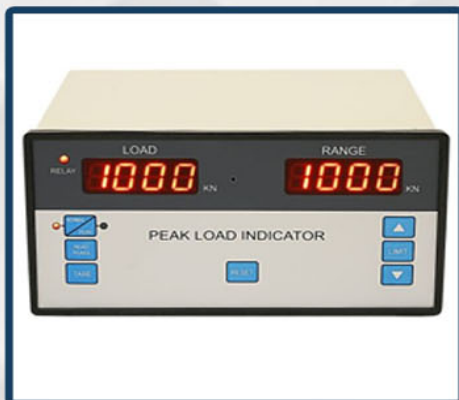

Model-7100W Wall Mounted Digital Temperature Humidity Indicator

Peak Load

CT-904 Peak Load And Displacement Recording Indicator

CT901 Peak Load Recording Indicator

CT902 Peak Load Recording Indicator

PH/ORP

100-ORP Dual Limits and Dual Alarms ORP Controller

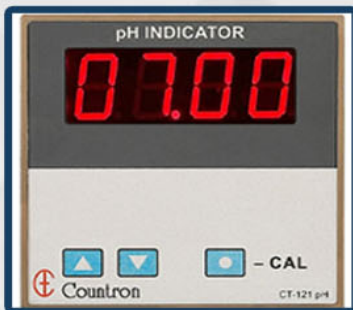

150-ORP Single Set with Band-type Alarm ORP Controller

Dual Limits ORP Controller with Isolated TX. 4-20mA Output

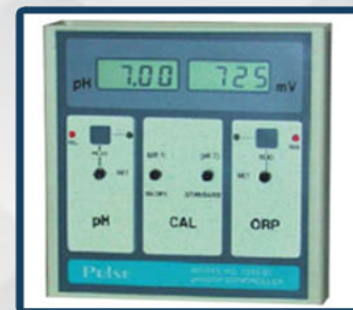

Model 112pH PH Controller

Model 121pH PH Controller

Model 122pH PH Indicator with Isolated Transmitter

Model 7215-01 PH and ORP Controller

Universal Calibrator

MP Based Universal Calibrator

Portable Battery Operated MV Source Measure Calibrator

Counter

4 Digit Preset Counter

6 Digit Counter without Preset Limit

Process Controller

2600M Process Controller

2602M Process Controller

Process Controller

Model CT-SV8 Process Controller

Universal Process Controller

Universal Programmable Process Indicator

Universal Temperature Indicator

RPM/Tachometer

CT100 Portable Digital Tachometer

CT550 Non Contact Portable Digital Tachometer

Digital Tachometer with 2 Alarm Limits

Digital Tachometer with Adjustable Multiplier

Non Contact Panel Mounted Tachometer

Range 0-2500 RPM Portable Digital Tachometer

Digital Readout for Encoders

Digital Readout Indicator

Digital Readout Controller

Other Products

Clean Room Monitor

Digital Production Display Board
