Krishnom Private Limited is a trusted Manufacturer and Supplier of high-quality Proteins, Minerals, Supplements, Toxin Binders, Raw Materials, By-Products, and Extractions for Cattle, Poultry, and Aqua Feed industries. We also deal in a wide range of agricultural products including Cereals, Basmati and Non-Basmati Rice, Pulses, Spices, Fruits, and Vegetables, supplying across Pan India and serving international export markets.

In addition, we are reliable suppliers of various instruments for Commercial and Medical Laboratories, including Analytical and Measuring Instruments from globally recognized brands. Our supply portfolio also covers Industrial Machinery such as Vacuum Machinery, Hydraulic Machinery, Pulverizers, and Continuous Environmental Monitoring Systems (CEMS).

We further provide Laboratory and Industrial Chemicals along with Certified Reference Materials (CRMs). Our success is driven by ethical leadership, a dedicated team, strong quality standards, and the trust of our valued customers.
