Dhanvati Exim Pvt. Ltd. warmly welcomes you to a world of premium exports. As a dynamic exporter, supplier, trader, and B2B service provider, we are committed to connecting India's finest products with global markets. Founded under the visionary leadership of Mr. Aamod Dharmadhikari, Dhanvati Exim has built a strong foundation in agriculture and food processing, while successfully diversifying into Marine Products, pharmaceuticals, chemicals, and comprehensive B2B services.

Expanding our expertise further, we have also established a specialized seafood division in Pune, India. Backed by over 30 years of rich experience in finance, real estate, construction, fishing, processing, and exports, we have developed state-of-the-art processing units and a robust cold chain network to ensure seamless global trade. We are committed to delivering freshness from harvest to the end user through rigorous quality control and efficient supply chain management.

Our product range includes premium agricultural products such as turmeric powder, moringa leaves, and guar gum, along with a wide variety of seafood and freshwater fishes available in live, chilled, frozen, and dried forms. Driven by quality, integrity, and a dedication to long-term partnerships, Dhanvati Exim ensures reliability, customization, and timely service at every step.
