## Bath Accessories

Accessories are more than an afterthought. They inspire design for the entire room and show off your distinctive style, imagination and unique ability to achieve the exceptional.

Often it's the little things that make a big difference. That's why at KATAVIT, we pour just as much thinking and design into our accessories - and hold them to the same high standards for both form and function

## CONTENTS ...

Soap Dishes                    04-08
