

MAA VAISHNO DEVI

STONE INDUSTRIES

We have three factories where we have highly advanced infrastructural facilities. Due to this, we have been able to maintain a balance between quality and quantity of production. Our heavy investment on infrastructure has made us stand much ahead of our competitors.

About Us

Incorporated in the year 2002, Maa Vaishno Devi Stone Industries is reckoned as a reliable Manufacturer and Supplier of diverse range of Sandstone in Dholpur, Rajasthan. Our wide range of Sandstone comprises of Dholpur Sandstone, Lalitpur Sandstone, Agra Red Sandstone, Autumn Brown Sandstone, Fossil Mint Sandstone, Gwalior Mint Sandstone, Modak Pink Sandstone and Sagar Black Sandstone.

Along with that, we also render transport services to the clients. Mr. Suresh Goyal who has an experience of more than 35 years in the domain, has made the company rise above all heights without compromising on various aspects such as ethics and integrity.

Infrastructure : We have three factories where we have highly advanced infrastructural facilities. Due to this, we have been able to maintain a balance between quality and quantity of production. Our heavy investment on infrastructure has made us stand much ahead of our competitors.

Our Team : Our team of professionals is working on a consistent basis to bring continual improvement in terms of quality and capacity of taking up bulk orders. We have managers, quality analysts, warehousing agents and skilled & unskilled professionals, etc. that has contributed a lot to the success of the company.

Quality Assurance : We are a quality-focused organization and our growth is marked by restricting ourselves to quality parameters that are followed strictly at the unit. For this, regular checks are conducted by quality analysts at the unit so that clients get nothing less than the best.
