Company Overview

GOOTY POWER PRIVATE LIMITED is a dynamic consulting and solutions provider in the field of Lithium Battery Accessories, specializing in Battery Management Systems (BMS), Chargers, and allied components for Electric Vehicle (EV) and Solar Energy applications. company is spearheaded by a strong leadership team with diverse and complementary expertise:

MUNISH JINDAL

Founder, is the ex-CEO of LiKraft with overall experience of 28 year having deep technical knowledge and strategic insight into the battery and energy industry.

ASHISH CHUGH

Director, brings over 25 years of rich experience in the technology and telecom sectors. Throughout his career, he has worked with leading brands such as Airtel and Motorola, excelling in sales channel development and forging strategic partnerships that drive growth and innovation.

LOVELY JINDAL

Director, has over 20 years of robust background in finance and operations, having worked with Genpact and NTT Data, adding financial discipline and operational efficiency to the company.

We have established strategic partnership with **Lithion Power Pvt. Ltd.**, a leading India-based manufacturer of:

- Battery Management Systems (BMS)
- IoT-based monitoring solutions
- State of Charge (SOC) Displays
- EV Controllers & DC-DC Converters

These collaborations ensure access to cutting-edge, locally engineered technologies and robust supply chains, enabling GOOTY to offer top-tier solutions to its clients.

KEY OFFERINGS

- BMS Solutions – Custom and standard BMS's for varied EV and energy storage applications.
- Chargers – High-efficiency chargers for lithium batteries with intelligent control.
- Product Evaluation – Technical evaluation and quality validation of components.
- Consultation & Sourcing – Expert advice and end-to-end sourcing support for lithium battery accessories.
- After-sales support.

INDUSTRIES WE SERVE

- Electric Vehicles (2W, 3W)
- Solar Energy Storage Systems
- Industrial Battery Solutions
- E-Rickshaws and Mobility Startups
- OEMs & Distributors of Energy Products

With a focus on innovation, quality, and industry-driven solutions, GOOTY is committed to enabling India's transition to clean and sustainable energy systems.

Why Choose GOOTY?

- In-depth technical expertise
- Strong industry network and sourcing capabilities
- Commitment to quality and performance
- Personalized consultation approach
- Fast turnaround and responsive support

VISION STATEMENT

TO BECOME A TRUSTED NAME IN INDIA'S CLEAN ENERGY ECOSYSTEM BY ENABLING SMARTER, SAFER AND MORE ACCESSIBLE BATTERY TECHNOLOGIES

MISSION STATEMENT

TO DELIVER HIGH-QUALITY LITHIUM BATTERY ACCESSORIES AND TECHNICAL CONSULTATION THAT DRIVE INNOVATION IN INDIA'S EV AND SOLAR SECTORS
