Established in 2024, Shiv Enterprise is a forward-thinking manufacturer, exporter, and supplier of innovative edible cups, headquartered in Rajkot, Gujarat, India. With a strong focus on sustainability, quality, and customer satisfaction, the company caters to clients across India and international markets, offering eco-friendly alternatives to conventional disposable cups.

Our product range includes 55ml, 60ml, 75ml, and 100ml Edible Tea Cups, crafted with high-quality, food-grade ingredients that are safe, hygienic, and flavorful. Each cup is designed to serve as a convenient and environmentally responsible solution for beverages, combining functionality with taste. The edible cups are ideal for tea, coffee, and other hot or cold drinks, providing a unique and enjoyable experience while reducing plastic and paper waste.

At Shiv Enterprise, quality assurance and sustainability are at the core of our operations. We employ modern manufacturing techniques, stringent quality control measures, and hygienic production processes to ensure consistency, durability, and taste in every product. Our edible cups comply with international food safety standards, making them suitable for global distribution.

We serve a wide range of clients including cafes, restaurants, event organizers, hotels, and distributors. Our efficient supply chain, timely delivery, and customized solutions allow us to meet bulk and specialized order requirements.

Driven by innovation, ethical practices, and a customer-first approach, Shiv Enterprise aims to promote eco-conscious living through high-quality edible cups. Our mission is to provide sustainable, practical, and enjoyable alternatives to traditional disposable products, establishing ourselves as a trusted partner in the global food and beverage industry.
