## ABOUT US

Established in the year 2004, Risha Electro Power Control is a remarkable Manufacturer, Exporter and Supplier of Electrical Products in Anand Vihar, Bulandshahr (Uttar Pradesh). We offer an array of Electrical Products such as Servo Voltage Controller, HT Transformer, Distribution Panel, Control Panel Boards, Automatic Power Factor Panel and Electrical Control Panels. Besides this, we also provide specialized repairing services for our Electrical Products. Mr. Yatendra Kumar Mishra, the Proprietor of the company, has done B-Tech (Electrical) and has an industrial experience almost 12 years. Under his management, we have progressed exponentially and have earned immense trust of the customers.

## Infrastructure

We have state-of-the-art infrastructure where we have installed advanced machines required to manufacture quality Electrical Products. To ensure quality, we have separate departments for production, quality check, R&D, warehousing and packaging and many more. This way we are able to avoid hassles at work and improve our production capacity.

## Quality Assurance

We are a reputed member of BEWA that approves of our standard business practices. We have adopted a full-fledged quality management department where our quality auditors verify designing and performance of electrical products. Also, they conduct tests to check products on parameters such as sturdy construction, design, efficiency dimension, Wear & tear resistance and maintenance.

# PRODUCTS

## ATS Control Panel

PRODUCT DETAILS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Size	: Multisizes
Application	: Control Panel
Voltage	: 110V, 220V, 380V, 440V
Usage	: Boiler Control
Power	: 1-3kw, 3-6kw, 6-9kw, 9-12kw
Power Source	: Electric
Warrenty	: 5 Years
Autoamatic Grade	: Automatic

## DB Panel Board

PRODUCT DETAILS

Business Type	: Supplier, Retailer, Wholesaler
Size	: Multisizes
Type	: Control Panel Boards
Color	: White
Voltage	: 440V
Usage	: Boiler Control
Body Material	: Mild Steel
Power Source	: Electric
Autoamatic Grade	: Automatic

# PRODUCTS

## AC/DC Drive Panel

PRODUCT DETAILS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Application	: Industrial Use
Weight	: 100-1000kg, 1000-2000kg, 2000-3000kg
Condition	: New
Input Voltage	: 110V, 220V, 380V, 440V
Power	: 1-3kw, 3-6kw, 6-9kw, 9-12kw
Driven Type	: Electric
Phase	: Double Phase, Single Phase, Three Phase
Warranty	: 3yrs

## AMF Control Panel

PRODUCT DETAILS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Application	: Inverter, Rectifier Panel, DG Set Panel
Features	: Minimum Maintenance, Corrosion resistant
Phase	: Double Phase, Three Phase
Power	: 1-3kw
Capacity (Amps)	: 10 to 1000 Amps
Adhesive	: 3M 9502
Frequency Range	: 50/60Hz
Number Of Zones	: 999 Zone

# PRODUCTS

## Electric Motor Control Panel

PRODUCT DETAILS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Size	: Multisizes
Voltage	: 110V, 220V, 380V, 440V
Power	: 1-3kw, 3-6kw, 6-9kw
Warrenty	: 5 Years
Autoamatic Grade	: Automatic
Application	: Boiler Control

## HT Switchgear Panel

PRODUCT DETAILS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Condition	: New
Power	: 1-3kw, 3-6kw, 6-9kw
Phase	: Double Phase, Single Phase
Efficiency	: 90%
Usage	: Boiler Control
Features	: Durability
Speciality	: Rust resistance

# PRODUCTS

## Automatic Power Factor Panel

PRODUCT DETAILS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Application	: Control Panels
Condition	: New
Frequency	: 50hz, 60hz
Tensile Strength	: 0-25Mpa, 100-125Mpa, 150-175Mpa, 175-200Mpa, 25-50Mpa
Features	: Easy To Install, Electrical Porcelain, Proper Working, Sturdy Construction, Superior Finish, Water Proof
Phase	: AC Single Phase, AC Three Phase, DC
cooling system	: Air Cooling, Oil Cooling
Temperature	: High Temperature, Low Temperature
Warrenty	: 5yrs

## Control Panel Boards

PRODUCT DETAILS

Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
Size	: Multisizes
Voltage	: 110V, 220V, 380V, 440V
Usage	: Boiler Control
Power	: 1-3kw, 3-6kw, 6-9kw, 9-12kw
Power Source	: Electric
Phase	: Double Phase, Single Phase, Three Phase
Warrenty	: 5 Years
Autoamatic Grade	: Automatic

# PRODUCTS

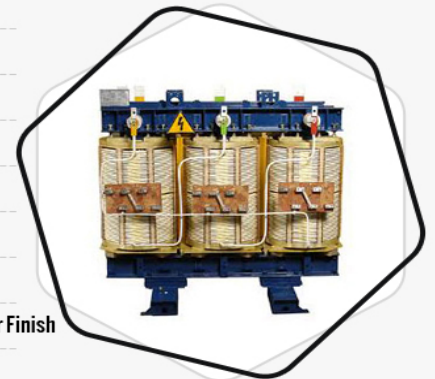

## Distribution Panel

PRODUCT DETAILS	Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
	Application	: Control Panels
	Condition	: New
	Frequency	: 50hz, 60hz
	Tensile Strength	: 0-25Mpa, 100-125Mpa, 125-150Mpa, 150-175Mpa, 175-200Mpa, 25-50Mpa Easy To Install, Electrical Porcelain, Proper Working, Sturdy Construction, Water Proof
	Features	: AC Single Phase, AC Three Phase
	Phase	: Air Cooling, Oil Cooling
	cooling system	: High Temperature, Low Temperature
	Temperature	: 5yrs

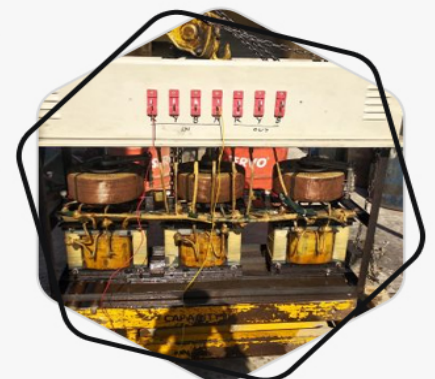

## HT Transformer

PRODUCT DETAILS	Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
	Application	: Control Panels
	Condition	: New
	Output Type	: AC Single Phase, AC Three Phase
	Frequency	: 50hz, 60hz
	Automatic Grade	: Automatic
	Tensile Strength	: 0-25Mpa, 100-125Mpa, 125-150Mpa, 150-175Mpa, 175-200Mpa, 25-50Mpa, 50-75Mpa
	Features	: Easy To Install, Electrical Porcelain, Four Times Stronger, Sturdy Construction, Superior Finish
	Warrenty	: 5 years
Production Power	: 100-250kw, 250-500kw, 500-750kw, 750-1000kw	
Temperature Capacity	: High Temperature, Low Temperature	

## Servo Voltage Controller

PRODUCT DETAILS	Business Type	: Manufacturer, Exporter, Supplier, Retailer, Wholesaler
	Voltage	: 110vdc, 12vdc, 220vdc, 24vdc
	Frequency	: 15hz, 50hz
	Power	: 1.3kw, 3-6kw, 6-9kw
	Power Source	: Electric
	Phase	: Double Phase, Single Phase, Three Phase
	Warranty	: 5 Years
