We are a Tamil Nadu-based manufacturing company specializing in Alum and Acid Slurry, with over 24 years of experience in the industry. Our commitment is to deliver high-quality products at competitive prices while ensuring a smooth and reliable business experience for all our customers.

With more than two decades of expertise, we continuously focus on improving our products and manufacturing processes to provide consistent quality and dependable performance. Our dedication to excellence has helped us build long-term relationships with clients across the industry.

Our products are widely used by detergent manufacturing industries across South India, and we take pride in supporting their production needs with trusted raw materials.

We are also eager to expand our reach and collaborate with businesses across various sectors that require Non-Ferric Alum or Acid Slurry, offering them quality solutions backed by experience and reliability.
