

Gurukrupa Wire Netting Industries

Diameter of wire, physical width and length of the wire, are some of parameters on that the premium quality of the offered range of wire netting are checked by our team of quality controllers at our state-of-the-art in-house quality testing unit. These quality assurance procedures are carried out from procurement of the raw metal till the final dispatch at the customers' end. The premium and best possible quality of the offered wire netting is our utmost priority and it is never compromised at our end.

Based in Gujarat (India), **Gurukrupa Wire Netting Industries** has earned a huge reputation since its establishment in 1981. Our ISO 9001:2000 certification is a symbol of our adherence to global quality standards. We deliver what we commit and biggest testimony of it is our existence for more than 25 years in the market and being considered as ethical and quality conscious company with highly satisfied clientele. We are soon venturing into Wire Meshes used for Filtration, Separation, Screening, Sieving & Straining in a wide range of products and industries including: Cement, Chemical, Flour Mills, Polyester Fiber, Petroleum, Rubber, Pharmaceuticals, Air and Space Techniques and Environmental Protection.

Backed and supported by our financial stability and vast experience of our mentor & CEO, **Mr. Nainesh Soni**, we have been able to cater to a huge clientele across the nation. Some of our valuable customers associated with us over a long period of time are Reliance Industries Limited, Tata Motors Limited and Adani Port SEZ.

Quality
