2020**

MUNMUN EXPORTS

a trusted global partner committed to delivering high-quality, eco-friendly, and ethically crafted products. Based in India, we specialize in the manufacturing of premium garments and a wide range of sustainable lifestyle products, offering solutions that align with modern environmental and global market standards.

Established as a Proprietorship firm in the year 2024, we Vaarahi Mineral Group are a leading Manufacturer, Exporter, Supplier of a wide range of High Grade Talc Powder, Industrial Grade Talc Powder, White Dolomite Powder, High Grade Talc Lumps, Industrial Grade Talc Lumps, White Dolomite Lumps etc. Situated in Kurnool, Andhra Pradesh, We offer these products at reasonable rates and deliver these within the promised time-frame. Under the headship of Mr. Gaddam Naveen Kumar Reddy, we have gained a huge clientele across the nation.

At Munmun Exports, sustainability is more than a promise—it is the foundation of our manufacturing philosophy. We work with skilled artisans, advanced production techniques, and eco-safe raw materials to create products that are not only functional but also environmentally conscious. Every item is crafted with careful attention to quality, design, and long-term usability, ensuring value for businesses, retailers, and consumers worldwide.

In addition to our manufacturing excellence, we are proud suppliers of authentic Sundarban honey, harvested from the untouched mangrove forests of West Bengal. Renowned for its purity, natural aroma, and rich flavor profile, our Sundarban honey reflects our commitment to offering premium products that are both wholesome and sustainably sourced.
